**Re: Public Records Request**

Dear Custodian of Public Records:

Pursuant to the Iowa Public Records Law, Iowa Code, Ch. 22, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Iowa Department of Education produce the following records promptly, or as soon as feasible:

All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) (a) sent by any of the officials listed below, or anyone communicating on their behalf, such as an assistant, scheduler, or secretary, (b) to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, .ch, and .me, (c) and containing any of the following key terms.

**Iowa Department of Education Officials:**

- a. Director McKenzie Snow
- b. Anyone serving in the role of Deputy Director or Chief of Staff to the Director
- c. Chief Operating Officer Deborah Elder
- d. General Counsel Thomas Mayes
- e. Communications Bureau Chief Heather Doe
- f. Division Administrator of the PK-12 Learning Division Kim Buryanek

**Key Terms:**

- a. "Senate File 496"
- b. SF496
- c. "SF 496"
- d. "279.7"
- e. "279.8"
- f. "261H.8"
- g. "specific defined concepts"

- h. “name or pronoun”
- i. “parental rights”
- j. scapegoating

In an effort to accommodate the Iowa Department of Education and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited this request to emails sent by any of the officials listed above, or anyone communicating on their behalf, and containing any of the above key terms. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both a listed official’s response to an email and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from May 26, 2023, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.<sup>1</sup>
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Law.<sup>2</sup>

<sup>2</sup> See *Linder v. Eckard*, 152 N.W.2d 833, 835 (Iowa 1967) (“It is the nature and purpose of the document, not the place where it is kept, which determines its status” as a public record); *Chapter 22 Frequently Asked Questions*, Iowa Public Information Board, <https://ipib.iowa.gov/faq/if-email-report-or-other-document-composed-received-or->

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
