**Requested Records**

American Oversight requests that your office produce copies of the following records within three business days:

2. All records reflecting any formal or informal final guidance, recommendations, or directives created by or issued to MU Health Care regarding state law restricting gender-affirming medical care, including, but not limited to Senate Bill 49 (2023).<sup>1</sup>
3. All official and unofficial dissent memoranda and complaints (such as formal memoranda, ethics complaints, or informal email communications) submitted to MU Health Care regarding state legislation, regulations, policies, and guidance related to restrictions on gender-affirming medical care, including, but not limited to Senate Bill 49 (2023).

For part 3 of this request, American Oversight requests all such memoranda and complaints received from employees, appointees, board members, or contractors of MU Health Care. To be clear, American Oversight is not seeking the release of the names of any individuals who have submitted responsive documents and does not object to withholding the name of any individual expressing dissent.

For all parts of this request, please provide all responsive records from June 1, 2023, through the date the search is conducted.

If American Oversight's request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

### **Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."<sup>2</sup> The public has a significant interest in recent restrictions to gender-affirming medical care.<sup>3</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the nature and extent of any guidance provided to public healthcare officials regarding the provision of gender-affirming medical care. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>4</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>11</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
