**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce copies of the following records within three business days:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the University of Missouri Health Care (MU Health Care) officials listed below and (b) any of the external entities listed below regarding the implementation or enforcement of state law restricting gender-affirming medical care.

**MU Health Care Officials:**

- a. Ric Ransom
- b. Katrina Lambrecht
- c. Dr. Stevan Whitt
- d. Shanon Fucik
- e. Beth Alpers
- f. Deb Dow
- g. Keri Simon
- h. Matt Frederiksen-England
- i. Emily Fondahn
- j. Amber Lashley
- k. Dustin Thomas
- l. Dr. Laine Young-Walker
- m. Dr. Laura Hesemann

**External Entities:**

- i. Anyone communicating on behalf of the Missouri Board of Registration for the Healing Arts (@pr.mo.gov)
- ii. Anyone communicating on behalf of the Missouri Department of Health and Senior Services (@health.mo.gov)
- iii. Anyone communicating on behalf of the Missouri Governor's Office (@governor.mo.gov)
- iv. Anyone communicating on behalf of the Missouri Office of the Attorney General (@ago.mo.gov)

For this request, American Oversight believes that records containing the search terms below are likely to be responsive records, and American Oversight requests that your office, at a minimum, employ these search terms to identify responsive records.

Search Terms:

- a. "biological sex"
- b. "gender affirming"
- c. "gender-affirming"
- d. "gender dysphoria"
- e. "gender identity"
- f. "gender reassignment"
- g. "gender transition"
- h. "SAFE Act"
- i. "SB 49"
- j. "Senate Bill 49"
- k. "sex reassignment"
- l. "Trans"
- m. LGBTQ
- n. Transgender
- o. Hormon\*
- p. Puberty block\*

American Oversight is using the asterisk (\*) to designate the standard use of "wildcards" in the search for responsive records. For example, a search for "Puberty block\*" would return all of the following: puberty blocker, puberty blockers, puberty blocking, etc. If your agency is unable to search for wildcards, please advise so that we may specifically include the variations that we would like searched.

Please note that American Oversight does not seek, and this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if a specific individual received a mass-distribution news clip from an email ending in @ago.mo.gov, that initial email would not be responsive to this request. However, if that specific individual forwarded that email to another listed individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from June 1, 2023, through the date the search is conducted.

If American Oversight's request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

### Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."<sup>1</sup> The public has a significant interest in recent restrictions to gender-affirming medical care.<sup>2</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the nature and extent of any guidance provided to public healthcare officials regarding the provision of gender-affirming medical care. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.<sup>4</sup>

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>10</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or
