EXTERNAL SENDER

Hello –

The University of Nebraska has not, at this time, identified any records responsive to your attached request that are of or belonging to the University within the meaning of the public records laws of Nebraska. However, we would like one additional week to complete our search effort and to supplement this response as appropriate. The other portion of your request, related to email communications, is also still in process and a separate response will be provided no later than one week from today.

Jaclyn

The University of Nebraska has received your attached request and has initiated response efforts. After initial processing and review has been completed, I will provide you with an update regarding the timing and logistics of the University's response. I am happy to field any questions you may have in the meantime. I will note that, given the scope of your request, we anticipate that at least one additional week will be necessary for full processing.

Thank you,

---
