**Re: Public Records Law Request**

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce the following records within three business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) the Office of the Attorney General officials listed below, or anyone communicating on their behalf, such as an assistant or scheduler, and (b) the external individuals and entities also listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

Office of the Attorney General Officials:

- a. Former Louisiana Attorney General Jeff Landry
- b. Former Executive Assistant Claire Hebert
- c. Former Chief Deputy Attorney General John Siquefield
- d. Former Deputy Attorney General Wilbur (Bill) Stiles
- e. Former Solicitor General Elizabeth Murrill
- f. Former Deputy Solicitor General Scott St. John
- g. Former Director of Investigations Joe Picone
- h. Former Director of Public Protection Mike Dupree
- i. Former Communications Director Millard Mule

External Individuals and Entities:

- i. Alliance Defending Freedom ([adflegal.org](http://adflegal.org))
- ii. America First Legal ([aflegal.org](http://aflegal.org) or [athospr.com](http://athospr.com))
- iii. Public Interest Legal Foundation ([publicinterestlegal.org](http://publicinterestlegal.org))
- iv. Judicial Watch ([judicialwatch.org](http://judicialwatch.org))

2. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) sent by the officials listed above in part 1 and containing any of the key terms listed below.

Key Terms:

- i. “Freedom of Information Act”
- ii. “open record”
- iii. “public record”
- iv. “Rise St. James”
- v. FOIA
- vi. Laughland
- vii. Misick

In an effort to accommodate your agency and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 2 of this request to emails sent by the officials listed in part 1. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specific individual’s response to an email containing any of the key terms listed above and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from May 1, 2023 through August 1, 2023.

**Fee Waiver Request**

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight’s use of the requested records “will be limited to a public purpose.”

This request is made solely for a public purpose. The public has a significant interest in public records requests filed by the Louisiana attorney general’s office.<sup>1</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the way in which government officials in Louisiana utilize public records laws. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, this request is fundamentally made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>3</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;<sup>4</sup> posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;<sup>5</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>6</sup> and the posting of records related to

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Public business communications conducted on private email accounts and devices are public records subject to the Public Records Law.<sup>8</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
