Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office promptly produce the following records:

For both parts of this request, please provide all responsive records from January 1, 2024, through the date the search is conducted.

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent (a) by the legislators and individuals listed below, including anyone communicating on their behalf, such as a legislative assistant, chief of staff, or executive assistant and (b) containing any of the key terms listed below.

Legislators:

- a. Speaker Ben Toma
- b. Rep. Alexander Kolodin
- c. Rep. Tim Dunn
- d. Rep. John Gillette
- e. Rep. Steve Montenegro

Key Terms:

- i. "Elections Procedures"
- ii. Fontes
- iii. "Election Bible"
- iv. EPM
- v. "Election procedures"

vi. Manual

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of its request to emails sent by the listed legislators and individuals. However, American Oversight requests that complete email chains be produced, displaying both sent and received messages. This means that both Speaker Toma's response to an email containing a key term and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) the legislators and individuals listed above in part 1, including anyone communicating on their behalf such as a legislative assistant, chief of staff, or executive assistant, and (b) any of the external entities and individuals listed below (and anyone communicating on their behalf), including, but not limited to, at the listed email addresses and/or domains.

External Entities/Individuals:

- i. Yavapai County Republican Committee (ms.yavgop.org)
- ii. Arizona Free Enterprise Club (azfree.org)
- iii. Republican Party of Arizona (azgop.com)
- iv. America First Legal (aflegal.org)
- v. Republican National Committee (gop.com)
- vi. Ronna McDaniel
- vii. Michael Whatley
- viii. Tyler Bowyer
- ix. Lori Klein Corbin
- x. Gina Swoboda (ginaswoboda@hotmail.com, ginaswo@asu.edu, gs@voterreferencefoundation.com)
- xi. Maricopa County Republican Committee (maricopacountygop.org)
- xii. Jeff DeWit
- xiii. Honest Elections Project (honestelections.org)
- xiv. Thomas More Society (thomasmoresociety.org)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding or responding to such emails are responsive to this request. In other words, for example, if Speaker Toma received a mass-distribution news clip email from the Election Integrity Network, that initial email would not be responsive to this request. However, if Speaker Toma forwarded that email to a listed individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding lawsuits challenging the Arizona Elections Procedures Manual.¹ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent litigation was discussed with external entities or individuals.

American Oversight is a 501(c)(3) nonprofit and this request is not in American Oversight's financial interest nor made for a commercial purpose. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.²

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.³ Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts.
- If any records are withheld in full or in part, pursuant to A.R.S. § 39-121.01(D)(2), please provide an index of records or categories of records that have been withheld and the reasons the records or categories of records have been withheld.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive.
