However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Commissioner Spindell received a mass-distribution news clip email from a listed external individual or entity, that initial email would not be responsive to this request. However, if Spindell forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

- 2. All text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, X direct messages, Facebook messages, WhatsApp, Signal, Telegram, The Buzz, or Parler) between (A)

American Oversight is not in a position to provide phone numbers for these individuals. To the extent Commissioner Spindell is unable to provide them, please use their first and last names as search terms. For example, a search for text messages between Commissioner Robert Spindell and Rudy Giuliani would be conducted by searching Commissioner Robert Spindell's text messages using the key terms "Rudy Giuliani," "Rudy," and "Giuliani."

For both parts of this request, the search should include email and text communications sent or received by any individual or personal accounts associated with Commissioner Spindell if they were used to conduct official business, as well as those sent or received by official email addresses and phones.

For both parts of this request, please provide all responsive records from November 1, 2020, through January 20, 2021.

## Fee Waiver Request

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge. These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight’s mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.<sup>2</sup> American Oversight also makes materials it gathers available on its public website<sup>3</sup> and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>4</sup>

The public has a significant interest in public officials’ potential communications with Donald Trump’s presidential campaign and associates concerning the compiling of “alternate” slates of electors to sign illegitimate Electoral College certificates.<sup>5</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent public officials coordinated with allies or members of Trump’s campaign to develop the certificates. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

### **Guidance Regarding the Search & Processing of Requested Records**

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority’s officer or employee constitutes a record for purposes of Wisconsin’s public records laws.<sup>6</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>7</sup> If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes

an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005.
