**Re: Public Records Request**

Dear Public Records Officer:

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the University of Florida promptly produce the following:

1. All email communications (including any email messages and attachments thereto) sent by any of the University of Florida officials listed below—and/or anyone communicating on their behalf, such as a Chief of Staff, assistant, or scheduler—and containing any of the following key terms, also listed below:

University of Florida Officials:

- a) President Ben Sasse
- b) Former President Kent Fuchs
- c) Provost J. Scott Angle
- d) Former Provost Joseph Glover
- e) Hamilton Center for Classical and Civic Education Senior Fellow John F. Stinneford
- f) Director of the Hamilton Center for Classical and Civic Education William Inboden
- g) Dean of the College of Liberal Arts and Sciences David E. Richardson

Key Terms:

- 1) "Council on Public University Reform"
- 2) CPUR
- 3) Holdenried

In an effort to accommodate your office and reduce the number of potentially responsive records to be produced, American Oversight has limited part one of this request to emails sent by the listed officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, this means that if President Ben Sasse sent an email responding to an incoming message, both his response and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the University of Florida officials listed above in part one of this request, and (b) any of the external entities or individuals listed below, or anyone communicating on their behalf (including, but not limited to, at the listed email addresses and/or domains).

External Entities and Individuals:

- a. Adrian Lukis, and/or anyone communicating on behalf of Ballard Partners (ballardpartners.com)
  - b. Alliance Defending Freedom (adflegal.org)
  - c. Heritage Foundation (heritage.org and/or heritageaction.com)
  - d. Hillsdale College (hillsdale.edu)
  - e. Joshua Holdenried, and/or anyone communicating on behalf of the Council on Public University Reform
  - f. Napa Legal (napalegalinstitute.org)
3. All dissent memoranda or complaints, including ethics or whistleblower complaints, submitted to the relevant offices at the University of Florida regarding any matters concerning the Hamilton Center for Classical and Civic Education.

American Oversight requests only complaints submitted by University of Florida faculty, staff, administration, or contractors. To be clear, American Oversight is not asking the University of Florida to release the names of any individuals who have submitted such complaints and does not object to the withholding of the name of such individual.

**For all parts of this request, please provide all responsive records from January 1, 2022, through the date the search is conducted.**

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone

messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails or texts conducting government business sent or received on the personal account of the government official constitutes a record for purposes of Florida's public records laws.<sup>1</sup>

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
