Re: Public Records Request

Dear Public Records Officer(s):

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida Senate Rule 1.48, American Oversight makes the following request for records.

Requested Records

American Oversight requests that Florida State Senator Keith Perry promptly produce the following:

1. All email communications (including any email messages and attachments thereto) sent by Senator Keith Perry—and/or anyone communicating on his behalf, such as a Chief of Staff, aide, or assistant—and containing any of the key terms, also listed below:

Key Terms:

- 1) “Council on Public University Reform”
- 2) CPUR
- 3) Holdenried
- 4) “Hamilton Center”
- 5) “University of Florida”
- 6) UF

In an effort to accommodate your office and reduce the number of potentially responsive records to be produced, American Oversight has limited part one of this request to emails sent by the listed official and/or staff. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, this means that if Senator Perry sent an email responding to an incoming

message, both his response and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Senator Perry, and/or anyone communicating on his behalf, such as a Chief of Staff, aide, or assistant, and (b) any of the external entities or individuals listed below, or anyone communicating on their behalf (including, but not limited to, at the listed email addresses and/or domains).

External Entities and Individuals:

- a. Adrian Lukis, and/or anyone communicating on behalf of Ballard Partners (ballardpartners.com)
- b. Alliance Defending Freedom (adflegal.org)
- c. Heritage Foundation (heritage.org and/or heritageaction.com)
- d. Hillsdale College (hillsdale.edu)
- e. Joshua Holdenried, and/or anyone communicating on behalf of the Council on Public University Reform
- f. Napa Legal (napalegalinstitute.org)

For both parts of this request, please provide all responsive records from January 1, 2022, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
