Re: Public Records Statute Request

Dear Record Custodian:

Pursuant to the Nebraska Public Records Statutes, Neb. Rev. Stat. §§ 84-712 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Nebraska Governor's Office produce the following records within four business days:

All email communications (including emails, complete email chains, email attachments, calendar invitations, and calendar invitation attachments) sent by any of the Nebraska Governor's Office officials listed below—and containing any of the following key terms, also listed below.

Nebraska Governor's Office Officials:

- a. Governor Jim Pillen
- b. Anyone communicating on Governor Pillen's behalf such as a secretary, assistant, or scheduler
- c. Chief of Staff David Lopez
- d. General Counsel Maureen Larsen
- e. Director of Communications Laura Strimple

Key Terms:

- a. "Electoral College"
- b. Trump
- c. "Turning Point"
- d. TPUSA
- e. Winner
- f. WTA
- g. "Electoral Vote"
- h. Lippincott
- i. Brewer
- j. Slama
- k. "Presidential Election"

- l. 764
- m. Kirk

In an effort to accommodate your office and reduce the number of potentially responsive records to be produced, American Oversight has limited this request to emails sent by the listed officials. To be clear, however, American Oversight still request that complete email chains be produced, displaying both sent and received messages. For example, this means that if Governor Pillen sent an email responding to an incoming message, both his response and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from April 2, 2024, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee. Pursuant to Neb. Rev. Stat. § 84-712(3)(b), we further request that any fees are limited to the actual costs and exclude fees for search time in excess of four hours.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter.com direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
