**Re: Public Records Request**

Dear Public Official:

Pursuant to the Indiana Access to Public Records Act (APRA), Ind. Code § 5-14-3-1 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Office of the Indiana Attorney General produce the following records within seven days:

All email communications (including any email messages and attachments thereto) sent by any of the Office of the Indiana Attorney General officials listed below containing any of the key terms, also listed below:

Office of the Indiana Attorney General Officials:

- a) Attorney General Todd Rokita
- b) Chief Deputy Attorney General Lori Ann Tores
- c) Chief of Staff Jamie Weber
- d) Assistant Chief Deputy Attorney General Cory Christian Voight
- e) Chief Administrative Officer Clinton Bohm
- f) The senior-most official tasked with the day-to-day monitoring of responses received in the “Eyes on Education” portal

Key Terms:

- 1) “Eyes on Education”
- 2) “education liberty”
- 3) “education portal”

In an effort to accommodate your office and reduce the number of potentially responsive records to be produced, American Oversight has limited this request to emails sent by the listed officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, this means that if Attorney General Rokita sent an email responding to an incoming message, both his response and the initial received message are responsive to this request and should be produced.

American Oversight does not object to the redaction of the names, phone numbers, or other personally identifying information of any tipster, or subject of tips or complaints from records responsive to this request.

**Please provide all responsive records from January 1, 2024, through the date the search is conducted.**

Pursuant to Ind. Code § 5-14-3-8(b), American Oversight asks that no fees be charged in connection with searching for or reviewing potentially responsive records. To the extent your office anticipates charging any copying fees for this request in excess of \$100, please notify us prior to incurring such fees.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter.com direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as, where relevant, personal email accounts or text messages.<sup>1</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of

the requested records.<sup>2</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

### **Conclusion**

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.<sup>3</sup>

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not
