Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. Records reflecting any actual or projected expenditures, including fiscal impact, related to the removal of Quick Response (QR) codes and the printing of watermarked ballots.¹
2. Records reflecting any formal or informal guidance, directives, or recommendations (including memoranda and other written records) created by or provided to your office by any state and local offices, the General Assembly, or independent experts, regarding the removal of QR codes and printing of watermarked ballots.
3. All official and unofficial dissent memoranda and complaints (such as formal memoranda, ethics complaints, or informal email communications) submitted to your office related to the removal of QR codes and printing of watermarked ballots.

For part 3 of this request, American Oversight requests all such documents received from county officials and employees, appointees, board members, or contractors of the Office of the Secretary of State. To be clear, American Oversight is not asking your agency to release the names of any individuals who have submitted responsive documents and does not object to withholding the name of any individual expressing dissent.

Please provide all responsive records from January 1, 2024 through the date the request is received.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.²
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

² O.C.G.A. § 50-18-70(b)(2).

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
