Re: Public Records Law Request

Dear Public Records Officer:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

Requested Records

American Oversight requests that the City of Green Bay produce the following records “as soon as practicable and without delay”:¹

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by former Councilman Steven Campbell containing any of the following key terms:
 - a. “hand count”
 - b. Handcount
 - c. Hand-count
 - d. “hand recount”
 - e. Concede
 - f. Concession

In an effort to accommodate the City of Green Bay and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of its request to emails sent by Campbell. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Campbell's response to an email containing a key term and the initial received message are responsive to this request and should be produced.

¹ Wis. Stat. § 19.35(4)(a).

2. All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, WhatsApp, Telegram, or Parler), telephone call logs, calendar invitations, calendar entries, calendar attachments, meeting notices, meeting agendas, informational material, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) between (a) former Councilman Campbell and (b) any of the individuals listed below:
 - a. Mark Cook (patriotmc@protonmail.com)
 - b. Anyone communicating on behalf of Hand Count Road Show (handcountroadshow.org)
 - c. America Voter Integrity Initiative (avii.org)
 - d. Linda Rantz (cause.america.mo@pm.me)
 - e. Cause of America (causeofamerica.org, causeofamerica@protonmail.com)
 - f. Anyone communicating from an email address ending in mypillow.com or frankspeech.com
 - g. Patrick Colbeck (pjcolbeck@comcast.net, patrick@migrassrootsalliance.org)
 - h. Doug Frank (drdouglasgrank@protonmail.com, drdouglasfrank@outlook.com)
 - i. Jeff O'Donnell (theloneraccoon@protonmail.com)
 - j. Patrick Byrne (americaproject.com, deepcapture.com)
 - k. UnAuthorized (unauthorized.one, unauthorized.us)
 - l. Anyone communicating on behalf of N.E.W. Patriots or Northeast Wisconsin Patriots (northeastwipatriots@gmail.com)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Campbell received a mass-distribution news clip email from the Hand Count Road Show, that initial email would not be responsive to this request. However, if Campbell forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

For both parts of this request please provide all responsive records from January 1, 2024, through the date the search is conducted.

Fee Waiver Request

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge.

These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight's work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. Rather, American Oversight's mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.² American Oversight also makes materials it gathers available on its public website³ and promotes their availability on social media platforms, such as Facebook and Twitter.com.⁴

The public has a significant interest in communications of a councilmember who refuses to concede his election. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Campbell has communicated about his decision to call for a hand count. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

Guidance Regarding the Search & Processing of Requested Records

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings,

telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.⁵

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.⁶ If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
