**Re: Public Records Law Request**

Dear Public Records Officer(s):

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

**Requested Records**

American Oversight requests that your office produce the following records “as soon as practicable and without delay”:<sup>1</sup>

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Representative Robin Vos and/or his Chief of Staff Jenny Toftness, and (b) any of the external individuals listed below.

External Individuals:

1. Rick Schlesinger
  2. Marti Wronski
  3. Daniel Fumai
  4. Tyler Barnes
  5. Steve Ehtier
  6. Anyone communicating from an email address ending in brewers.com.
2. All text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, X direct messages, Facebook messages,

WhatsApp, Signal, Telegram, or Parler) between (a) Representative Robin Vos and/or his Chief of Staff Jenny Toftness, and (b) any of the external individuals listed above in part 1.

American Oversight is not in a position to provide phone numbers for these individuals. To the extent Representative Vos or Jenny Toftness are unable to provide them, please use their first and last names as search terms. For example, a search for text messages between Representative Vos and Rick Schlesinger would be conducted by searching Representative Vos' text messages using the key terms "Rick Schlesinger," "Rick," and "Schlesinger."

3. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Representative Robin Vos and/or his Chief of Staff Jenny Toftness containing any of the key terms listed below.

Key Terms:

- a. Schlesinger
- b. Wronski
- c. Fumai
- d. Barnes
- e. Ehtier

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 3 of its request to emails sent by the listed custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a listed custodian's response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

4. All text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, X direct messages, Facebook messages, WhatsApp, Signal, Telegram, or Parler) sent or received by Representative Robin Vos and/or his Chief of Staff Jenny Toftness containing any of the key terms listed above in part 3.

American Oversight requests that full text message threads/conversations be produced. In other words, if Representative Vos sent a text message containing any of the key terms listed above, the complete thread/conversation for 24 hours before/after the key term appears should be produced, and not just the message containing the key term.

**For all parts of this request, please provide all responsive records from October 1, 2023, through November 30, 2023.**

## Fee Waiver Request

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge. These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight’s mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.<sup>2</sup> American Oversight also makes materials it gathers available on its public website<sup>3</sup> and promotes their availability on social media platforms, such as Facebook and Twitter.com.<sup>4</sup>

The public has a significant interest in the extent of state officials’ communications with and about potential campaign donors.<sup>5</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including to what extent Representative Vos communicated with Milwaukee Brewers executives. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and

the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

### **Guidance Regarding the Search & Processing of Requested Records**

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.<sup>6</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>7</sup> If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more
