Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Sheriff Mark Melton, or anyone communicating on their behalf, and containing any of the key terms listed below.

Key Terms:

- a. "House Bill 1105"
- b. "HB 1105"
- c. HB1105
- d. "Immigration and Customs Enforcement"
- e. ICE
- f. "Fourth Amendment"
- g. "4th Amendment"
- h. Undocumented
- i. "illegal alien"
- j. migrant
- k. "woke sheriffs"
- l. "sanctuary jurisdiction"
- m. "sanctuary city"
- n. "North Carolina Sheriff's Association"
- o. NCSA

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of this request to emails sent by the Sheriff or anyone communicating on their behalf. To be clear, however, American Oversight still

requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both the Sheriff's response to an email containing any of the key terms listed above and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Sheriff Mark Melton, or anyone communicating on their behalf, and (b) any of the external entities or individuals listed below (including, but not limited to, at the listed email addresses and/or domains).

External Individuals and Entities:

- a. Federation for American Immigration Reform (fairus.org)
- b. Immigration Reform Law Institute or Attorneys United for a Secure America (irlil.org)
- c. Center for Immigration Studies (CIS) (cis.org)
- d. NumbersUSA (numbersusa.com)
- e. The Remembrance Project (theremembranceproject.org)
- f. Russ Vought, or anyone from Center for Renewing America or Citizens for Renewing America (americarenewing.com, citizensrenewingamerica.com)
- g. Conservative Partnership Institute (conservativepartnershipinstitute.org)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if the Sheriff received a mass-distribution news clip email from an email ending in @fairus.org, that initial email would not be responsive to this request. However, if the Sheriff forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For all parts of this request, provide all responsive records from May 1, 2023, through January 1, 2024.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted.

To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Conclusion

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials.
