Re: Public Records Act Request

Dear Public Records Custodian:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records as promptly as possible:

1. All records reflecting complaints, whether official or unofficial, submitted to the Board of Elections by anyone acting as a poll observer, including any supporting documentation, including photographs, videotapes, or audiotapes.
2. Records sufficient to identify the number of complaints, whether official or unofficial, submitted to your office by anyone acting as a poll observer. To the extent that the Board of Elections maintains aggregated information, such as spreadsheets or database records that can be readily exported to spreadsheets, such documents would be responsive to this request.
3. All policies, guidance, and protocols created by or provided to the Board of Elections that pertain to or have resulted from complaints submitted by poll observers.
4. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) sent by the Board of Elections officials listed below and containing any of the key terms listed below.

Board of Elections Officials:

- a. Chair Beverly Earle
- b. Secretary Elizabeth McDowell
- c. Christopher Fialko
- d. John Gresham

- e. Mary Summa
- f. Director Michael Dickerson

Key Terms:

- a. Observer
- b. Watcher
- c. SB747
- d. "S.B. 747"
- e. "SB 747"
- f. "Senate Bill 747"

In an effort to accommodate the Board of Elections and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the officials listed in part 4. To be clear, however, American Oversight requests that complete email chains be produced, displaying both sent and received messages. This means that both an individual's response to an email containing any of the key terms listed above and the initial received message are responsive to this request and should be produced.

For all parts of this request, please provide all responsive records from January 1, 2024, through May 15, 2024.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.¹ We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

¹ N.C. Gen. Stat. Ann. § 132-1(a) (public records consist of documentary material "regardless of physical form or characteristics.").

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.²
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
