Re: Right-to-Know/Public Records Request

Dear Records Custodian(s):

Pursuant to Part I, Article 8 of the New Hampshire Constitution, and New Hampshire's Right-to-Know Law, as codified at RSA Chapter 91-A, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within five business days:

1. A complete copy (including all attachments) of all written reports, audit materials, or complaints received from United Sovereign Americans, Public Interest Legal Foundation, Voter Reference Foundation, Judicial Watch, or the Republican National Committee.

Records responsive to item 1 of this request include, but are not limited to, reports, spreadsheets, or other forms of aggregated data.

2. All email communications (including emails, email attachments complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the officials listed below, and (b) any of the external individuals or entities listed below (including individuals communicating from the listed email addresses or domains).

Officials:

- i. Secretary of State David Scanlan
- ii. Elections Legal Counsel Bud Fitch
- iii. Deputy Secretary of State Erin Hennessey
- iv. Senior Deputy Secretary of State Patricia Lovejoy

External Individuals or Entities:

- a. Public Interest Legal Foundation (publicinterestlegal.org, electionlawcenter.com)
- b. Republican National Committee (gop.org, gop.com, rnc.org)
- c. United Sovereign Americans (unite4freedom.com, usa4freedom.org)
- d. Voter Reference Foundation (voteref.com, voterreferencefoundation.com)
- e. Christie Moore
- f. Harry Haury
- g. Kate Sullivan (citizenvoter2024@gmail.com)
- h. Marly Hornik
- i. Michelle Peterson
- j. New York Citizens Audit (NYCA.info@proton.me, auditny.com)
- k. Judicial Watch (judicialwatch.org)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, if an official received a mass-distribution news clip email from a listed external individual or entity, that initial email would not be responsive to this request. However, if that official forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

3. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed above in part 2 and containing any of the key terms listed below.

Key Terms:

- a. “NVRA notice”
- b. “NVRA violation”
- c. “Notice of violation”
- d. §20510

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 3 of this request to emails sent by the specified officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both an official’s response to an email and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from March 1, 2024, through the date the search is conducted.

Pursuant to RSA § 91-A:4, IV, we ask that any charges in connection with processing this request for records not exceed the actual cost of providing the copy, if any.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event that any responsive records are exempt from disclosure, in whole or in part, please state specifically the justification for the withholding with reference to the applicable section of the Right-to-Know Law or other legal authority that exempts the information from disclosure.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
