For part 1 of this request, please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Senator Schroer received a mass-distribution news clip email from a listed external entity or individual, that initial email would not be responsive to this request. However, if Senator Schroer forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For part 1 of this request, please provide all responsive records from December 1, 2023, through the date the search is conducted.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Senator Nick Schroer, or anyone communicating on their behalf such as a chief of staff or assistant, and containing any of the key terms listed below.

Key Terms:

- h. 2634
- i. 810
- j. Abortion
- k. PPGP
- l. PPSLR
- m. prolife
- n. Unborn
- o. Veritas
- p. Weldon

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 2 of its request to emails sent by Senator Schroer. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Senator Schroer’s response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

For part 2 of this request, please provide all responsive records from December 1, 2023, through the date the search is conducted.

- 3. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Senator Nick Schroer, or anyone communicating on their behalf such as a chief of staff or assistant, and (b) anyone communicating from an email address ending in ago.mo.gov.

For part 3 of this request, please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Senator Schroer received a mass-distribution news clip email anyone communicating from an email address ending in ago.mo.gov, that initial email would not be responsive to this request. However, if Senator Schroer forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For part 3 of this request, please provide all responsive records from February 1, 2024, through March 1, 2024.

If American Oversight’s request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us**

of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in state officials’ attempts to block funding to facilities providing reproductive health care.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent state officials’ have communicated with external sources about such matters. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.⁴

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses

Accordingly, American Oversight qualifies for a fee waiver or reduction.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁰ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
