EXTERNAL SENDER

Dylan,

Thank you for contacting the Iowa Attorney General's office. There are two distinct email chains we are withholding pursuant to 22.7(4) for attorney work product. These are the exact same email chains as requested via IA-AG-24-1190. They involve emails amongst several state Attorney's General offices (which were then responsive to the other request) and America First Legal (hence responsive to this request). As I noted to Eva regarding the other request, I would like to highlight that our office did not author any email but was merely a recipient. Further, America First Legal likewise never authored an email but was merely a recipient. There were no emails involving any other entity in your request.

Thank you,
Angela
