In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the listed officials. To be clear, however, American Oversight requests that complete email chains be produced, displaying both sent and received messages. This means that both a listed official’s response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

Please provide all responsive records beginning January 1, 2024, through the date the search is conducted.

Please consider this a standing request, the response to which should be updated promptly each time new information is added to any responsive records or new responsive records are created.¹

Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding state officials’ communications concerning abortion access in Arizona.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent officials have communicated about efforts to thwart access to abortion in Arizona.

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight’s financial interest and is not made for a commercial purpose. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes

To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located
