Re: Government Records and Access Management Act Request

Dear Records Officer:

Pursuant to the Utah Government Records Access and Management Act (GRAMA), Utah Code §§ 63G-2-101 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your agency produce the following records within ten business days:

All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) between (a) Representative Ken Ivory, and (b) any of the external entities and individuals listed below (including, but not limited to, at the listed email addresses and/or domains).

External Entities and Individuals:

- a. Project 2025 (project2025.org)
- b. The Heritage Foundation (heritage.org, heritageaction.com)
- c. Former President Donald Trump, and/or anyone communicating on his behalf and/or on behalf of Donald J. Trump for President 2024 and/or Trump Save America Joint Fundraising Committee (donaldjtrump.com, trump.com, trumphotels.com, donaldtrump.com, 45office.com)
- d. The Republican National Committee (gop.com)
- e. The American Legislative Exchange Council 9 (alec.org)
- f. Russ Vought, and/or anyone communicating on behalf of the Center for Renewing America (americarenewing.com, citizensrenewingamerica.com)
- g. Lindsey Burke (gmu.edu)
- h. Mandy Gunasekara, and/or anyone communicating on behalf of Independent Women's Forum and/or Independent Women's Voice (iwf.org, iww.org)
- i. Jonathan Berry, and/or anyone communicating on behalf of the Federalist Society (fedsoc.org)

Please note that American Oversight does not seek, and this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if Representative Ivory received a mass-distribution news clip email from an email address ending in @project2025.org, that initial email would not be responsive to this request. However, if Representative Ivory forwarded that email to another listed individual, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from November 1, 2021, through the date the search is conducted.

Fee Waiver Request

In accordance with Utah Code § 63G-2-203(4)(a), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested information will primarily benefit the public rather than a person, because the requested records will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information primarily benefits the public rather than a person.¹ The public has a significant interest in the communications of public employees who have contributed to Project 2025.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Representative Ivory communicated about Project 2025 in his government role. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is not for American Oversight's personal or financial interest. As described above, this request is primarily and fundamentally made for the purpose of educating the public and is not made for any commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or
