Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce copies of the following records within three business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed below containing any of the key terms listed below.

Office of the Attorney General Officials:

1. Andrew Bailey, Attorney General
2. Josh Divine, Solicitor General
3. Jay Atkins, Chief of Staff

Key Terms:

- a. "abortion amendment"
- b. "abortion ballot"
- c. "abortion initiative"
- d. "abortion petition"
- e. "ballot candy"
- f. "constitutional freedom"
- g. "decline to sign"
- h. "majority rule"
- i. "petition signatures"
- j. "right to life"
- k. "signature gathering"

- l. “signature withdrawal”

- n. “stands with women”
- o. “withdraw signatures”
- p. “withdraw their signature”
- q. “withdraw your signature”
- r. CMR
- s. “abortion law”

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of its request to emails sent by the listed officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a listed official’s response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

- 2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the officials listed above in part 1, and (b) any of the external entities or individuals listed below (including, but not limited to, anyone communicating from the listed email addresses and/or domains).

External Entities and Individuals:

- a. Missouri Right to Life (missourilife.org, missourilifepac.org)
- b. Missouri Stands with Women (mostandswithwomen.org)
- c. Missouri Catholic Conference (mocatolic.org)
- d. Alliance for Life Missouri (allianceforlifemissouri.com)
- e. Coalition for Life St. Louis (coalitionforlife.com)
- f. Vitae Foundation (vitaefoundation.org)
- g. Wesley Scroggins (wesleyscroggins@gmail.com), and/or anyone communicating on behalf of Abolish Abortion Missouri (abolishabortionmo.org)
- h. Freedom Principle MO (freedomprinciplemo.org)
- i. Missouri Baptist Convention (mobaptist.org)
- j. Live Action (liveaction.org)
- k. Samuel Lee, and/or anyone communicating on behalf of Campaign Life Missouri
- l. Coalition Life (coalitionlife.com)
- m. Students for Life (studentsforlife.org)
- n. Susan B. Anthony Pro-Life America (sbaprolife.org, sbalist.org, sba-list.org)
- o. Three Oak Group (threeoakgroup.com)
- p. Thrive Nation (thrivenation.us, thrivestlouis.org)
- q. James Harris or anyone communicating on behalf of The J. Harris Company (thejharrisco.com)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. In other words, for example, if a listed official received a mass-distribution news clip from Missouri Right to Life, that initial email would not be responsive to this request. However, if the official forwarded that email with their own commentary, that subsequent message would be responsive to this request and should be produced.

Please note that American Oversight is not asking your agency to release the names of any individuals who have submitted responsive documents and does not object to withholding the name or other personally identifiable information of any individual requesting to withdraw their signature.

Please provide all responsive records from April 1, 2024, through the date the search is conducted.

If American Oversight's request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in state officials' communications regarding the ballot initiative process.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent officials have communicated about a ballot initiative regarding the constitutional right to abortion. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.⁴

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁵ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;⁶ posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;⁷ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico

Accordingly, American Oversight qualifies for a fee waiver or reduction.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁰ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
