Re: Open Records Act Request

Dear Records Access Officer:

Pursuant to the Oklahoma Open Records Act, O.S. tit. 51, §§ 24A.1 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Oklahoma State Department of Education produce the following records within five business days:

All email communications (including email messages, complete email chains, calendar invitations, or any attachments thereto) between (a) any of the Oklahoma State Department of Education officials listed below—or anyone communicating on their behalf, such as an assistant or scheduler—and (b) anyone communicating on behalf of an external entity listed below, including, but not limited to, anyone communicating from an email address ending in a listed domain.

Oklahoma State Department of Education Officials:

- a. State Superintendent of Public Instruction Ryan Walters
- b. Chief Policy Advisor Matt Langston
- c. Director of Communications Dan Isett
- d. Anyone serving in the capacity of Chief of Staff and/or Deputy Chief of Staff in the Office of the State Superintendent

External Entities and Individuals:

1. Cleta Mitchell (cleta@cletamitchell.com)
2. Ed Corrigan, and/or anyone communicating on behalf of the Conservative Partnership Institute (cpi.org)
3. Project 2025 (project2025.org)
4. Virginia “Ginni” Thomas, and/or anyone communicating on her behalf, including, but not limited to Crystal Clanton, anyone communicating from an email address ending in @libertyinc.co, and/or anyone communicating on behalf of Frontliners for Liberty

5. Former President Donald Trump, and/or anyone communicating on his behalf and/or on behalf of Donald J. Trump for President 2024 and/or Trump Save America Joint Fundraising Committee (donaldjtrump.com, trump.com, triumphotels.com, donalldrump.com, 45office.com)
6. The Republican National Committee (gop.com)
7. George Mason University Board of Visitors Member Lindsey Burke (gmu.edu)
8. Bob Eitel, Jim Blew, and/or anyone communicating on behalf of the Defense of Freedom Institute (dfipolicy.org)
9. Erin Valdez, Andrew Gillen, and/or anyone communicating on behalf of the Texas Public Policy Foundation (texaspolicy.com)

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Superintendent Walters received a mass-distribution news clip email from Project 2025, that initial email would not be responsive to this request. However, if Superintendent Walters forwarded that email to another listed individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from January 9, 2023, through the date the search is conducted.

Fee Waiver Request

In accordance with 51 O.S. tit. 51, § 24A.5(4), American Oversight requests that your office charge no search fees in connection with processing this request for records. Release of the requested records “is in the public interest,” because American Oversight, in accordance with its organizational mission, makes this request “to determine whether those entrusted with the affairs of the government are honestly, faithfully, and competently performing their duties as public servants.”¹ Specifically, the requested records have the potential to shed light on the State Department of Education’s communications regarding Project 2025.² Records with the potential to shed light on this matter would contribute significantly to public understanding of how public servants are fulfilling their duties, including to what extent State Department of Education officials were communicating with and about entities relevant to Project 2025.

¹ O.S. tit. 51, § 24A.5(4).

American Oversight’s work is aimed solely at serving the public interest.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. Similar to members of the news media, American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).⁴ American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁵

American Oversight is committed to transparency and makes the responses public bodies provide to public records requests publicly available, and the public’s understanding of the government’s activities—including whether public servants are honestly, faithfully, and competently performing their duties—would be enhanced through American Oversight’s analysis and publication of these records.

Therefore, in accordance with O.S. tit. 51, § 24A.5(4), American Oversight respectfully requests that you limit any copying fees to the reasonable, direct costs of record copying, or mechanical reproduction, if any such costs are incurred.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or X (formerly Twitter) direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. **Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.**
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.⁶ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

⁶ O.S. tit. 51, § 24A.5(2).

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Danny Martinez at records@americanoversight.org or (202) 897-2465.
