**Re: Public Records Request**

Dear Public Records Officer(s):

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your agency promptly produce the following records:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by State Senators Sonny Borrelli, Wendy Rogers, Warren Petersen, or John Kavanagh and containing any of the key terms listed below.

Key Terms:

- a. Ziklag
- b. "operation checkmate"
- c. "operation steeplechase"
- d. "operation watchtower"
- e. "church engagement"
- f. USATransForm
- g. "USA Transform"
- h. "United in Purpose"
- i. "seven mountain"
- j. Yoder
- k. "1789 Foundation"

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of its request to emails sent by the listed officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, both a

listed official's response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) State Senators Sonny Borrelli, Wendy Rogers, Warren Petersen, or John Kavanagh, and (b) the external entities and individuals listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

External Entities and Individuals:

- a. America First Policy Institute (americafirstpolicy.com)
- b. Citizen AG (citizenag.org)
- c. Conservative Partnership Institute (cpi.org)
- d. Drew Hiss
- e. Julie Nimmons
- f. Ken Eldred
- g. Lance Wallnau
- h. Mark Bourgeois
- i. Martin Nussbaum
- j. Mike Yoder (yoderesq.com)
- k. Peter Bohlinger
- l. Ralph Reed, and/or anyone communicating on behalf of Faith and Freedom Coalition (ffcoalition.com)
- m. Turning Point USA (tpusa.com)

Please note that American Oversight does not seek, and part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. For example, if a listed official received a mass-distribution news clip email from a listed external entity or individual, that initial email would not be responsive to this request. However, if they forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

**Please provide all responsive records from January 1, 2024, through the date the search is conducted.**

**Statement of Noncommercial Purpose**

This request is made for noncommercial purposes. American Oversight seeks records regarding efforts by external groups to challenge and remove voter registrations.<sup>1</sup>

Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent officials in Arizona have communicated with such groups.

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight's financial interest and is not made for a commercial purpose. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).<sup>2</sup>

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.<sup>3</sup> Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- If any records are withheld in full or in part, pursuant to A.R.S. § 39-121.01(D)(2), please provide an index of records or categories of records that have been withheld and the reasons the records or categories of records have been withheld.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive.
