Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. Records reflecting any formal or informal final guidance, directives, or recommendations (including memoranda and other written records) created by or otherwise provided to your office regarding proper election recount or recanvass procedures.
2. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) (a) sent by the Cherokee County election officials listed below and (b) containing any of the key terms also listed below.

Cherokee County Officials:

- a. Anne Dover, Director
- b. Janis Rodgers, Assistant Director
- c. Glen Johnson, Chairperson
- d. Julie Glade, Vice-Chair
- e. Scott Little
- f. Larry Hand, Secretary
- g. John Wallace

Key Terms:

- i. "electoral college"
- ii. "Eternal Vigilance Action"
- iii. "Georgia Supreme Court"
- iv. "hand count"
- v. "hand-count"
- vi. "reasonable inquiry"

- vii. “Republican National Committee”
- viii. Audit
- ix. Certification
- x. Certified
- xi. Certify
- xii. Cox
- xiii. Decertification
- xiv. Decertify
- xv. Decertifying
- xvi. RNC

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 2 of its request to emails sent by the officials listed. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specific individual’s response to an email containing any of the key terms listed above and the initial received message are responsive to this request and should be produced.

- 3. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) the election officials listed above in part 2 and (b) the external individuals and entities listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

External Individuals and Entities:

- i. Bridget Thorne
- ii. Lieutenant Governor Burt Jones
- iii. Cleta Mitchell (cleta@cletamitchell.com) and/or anyone communicating on behalf of the Election Integrity Network (whoscounting.us, electionintegrity.network, virginia institute.org, cpi.org)
- iv. David Cross
- v. David Hancock
- vi. David Shafer
- vii. Garland Favorito and/or anyone communicating on behalf of Voter GA (voterga.org, voterga.net)
- viii. Hans Von Spakovsky and/or anyone communicating on behalf of Heritage Foundation (heritage.org, heritageaction.com)
- ix. Holly Kessler
- x. Honest Elections Project (honestelections.org, jasonsnead.com)
- xi. House Speaker John Burns (john.burns@house.ga.gov)
- xii. Josh McKoon
- xiii. Julie Adams (Julie.adams@fultoncountyga.gov, julie@teapartypatriots.org)
- xiv. Kevin Moncla
- xv. State Senator Max Burns (maxburns.com, max.burns@senate.ga.gov)

- xvi. Michael Heekin
- xvii. Salleigh Grubbs
- xviii. Suzi Voyles

Please note that American Oversight does not seek, and that part 3 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if a listed official received a mass-distribution email from an address ending in @aflegal.org, that initial email would not be responsive to this request. However, if that listed official forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For all parts of this request, please provide all responsive records from September 20, 2024, through the date the request is received.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted

using unofficial systems or stored outside of official files are subject to the Open Records Act.¹

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Conclusion

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).²
