nomination made by President-Elect Donald Trump. It is an extraordinary honor to have been considered for such a significant role in public safety, and I am genuinely grateful for the confidence shown in me.

As a graduate of the Southern Police Institute and a fellow graduate of the FBI National Academy, I have observed various leadership styles throughout my career. Your ability to "check all the boxes" in effective leadership is truly exceptional. Your commitment to leading from the front while prioritizing the well-being of your team and addressing the needs of our

community is admirable and has greatly influenced my own perspective on leadership.

During my time at HCSO, I have witnessed firsthand your dedication to cultivating leadership from within, and I sincerely hope that this ethos continues regardless of changes in command. It is imperative that those of us who have had the opportunity to teach leadership under your guidance continue to carry the torch for future leaders, guiding them as you have guided us. Although I am working at HCSO as my retirement job, I will continue to cherish my time here as a member of your team, and I will always proudly acknowledge that I worked under your exceptional leadership.

Once again, congratulations on this monumental opportunity to serve an even larger community. I have no doubt that you will bring the same passion and dedication to the DEA that you have shown here.

Sheriffs,

The following statement by FSA President Sheriff Bill Prummell was released to statewide media in support of Hillsborough County Sheriff Chad Chronister’s nomination to become the next Administrator of the Drug Enforcement Administration (DEA).

“The Florida Sheriffs Association strongly supports Chad Chronister’s nomination to become the next Administrator of the Drug Enforcement Administration (DEA). For decades, Chad has worked to keep the citizens of Hillsborough County safe, and he will bring this same level of law-and-order commitment to the DEA. When a rogue prosecutor was failing the people of his county, Chad acted and strongly supported his removal. Most recently, Chad was appointed to Florida’s Statewide Drug Policy Advisory Council, and he also chaired the FSA’s Human Trafficking Committee where he directed funds that led to saving and protecting numerous victims of human trafficking. This is the kind of leadership we need at the national level when combating the drug trafficking and fentanyl epidemic. Florida

sheriffs look forward to working with Chad Chronister to build strong partnerships between federal and local law enforcement to keep dangerous drugs off our streets.”

Sheriff Chad Chronister has been a dedicated member of the Hillsborough County Sheriff's Office for more than 32 years, serving as Sheriff since 2017. Throughout his tenure, he has exemplified service above self, reduced crime, and remained focused on community policing, furthering a culture of diversity and inclusion within the agency.

In June 2023, Governor Ron DeSantis appointed Sheriff Chronister to the Florida Statewide Drug Policy Advisory Council, recognizing his commitment to combating drug-related issues.

As Sheriff Chronister transitions to his new role as Administrator of the Drug Enforcement Administration, his dedication to the residents of Hillsborough County remains steadfast. He will continue to serve this community with the same commitment and compassion until his official transition, ensuring a seamless handover and maintaining the trust and values that have been the foundation of his service. Details of his plans in the new role will be shared once he assumes the position.
