Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your agency produce copies of the following records within three business days:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Attorney General Andrew Bailey or anyone serving as Chief of Staff in the Office of the Attorney General, and (b) the external entities and individuals listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. For example, if Attorney General Bailey received a mass-distribution news clip email from a listed external entity or individual, that initial email would not be responsive to this request. However, if he forwarded that email with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from November 1, 2024, through the date this request is received.

If American Oversight’s request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.
