Re: Public Records Request

Dear Custodian of Public Records:

Pursuant to the Iowa Public Records Law, Iowa Code, Ch. 22, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records promptly, or as soon as feasible:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Dr. Katherine Rafferty, Associate Teaching Professor of Communication Studies, and (b) the external entities and individuals listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

External Entities and Individuals:

- a. Alliance Defending Freedom (adflegal.org)
- b. American Principles Project (americanprinciplesproject.org)
- c. Americans United for Life (aul.org)
- d. Charlotte Lozier Institute (lozierinstitute.org)
- e. Concerned Women for America (concernedwomen.org or cwfa.org)
- f. David Reardon
- g. Elliot Institute (elliottinstitute@gmail.com)
- h. Ethics and Public Policy Center (eppc.org)
- i. Family Policy Alliance (familypolicyalliance.com)
- j. Family Research Council (frc.org or frcaction.org)
- k. Independent Women's Forum (iwf.org)
- l. James Studnicki (jstudnic11@gmail.com)
- m. National Right to Life Committee (nrlc.org)
- n. Students for Life of America (studentsforlife.org or studentsforlifeaction.org)

- o. Susan B. Anthony Pro-Life America (sbapro-life.org)

Please note that American Oversight does not seek, and that part 1 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. For example, if Dr. Rafferty received a mass-distribution news clip email from a listed external entity or individual, that initial email would not be responsive to this request. However, if she forwarded that email with her own commentary, that subsequent message would be responsive to this request and should be produced.

- 2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Dr. Katherine Rafferty, Associate Teaching Professor of Communication Studies and containing any of the key terms listed below.

Key Terms:

- a. "AHM"
- b. "Alliance for Hippocratic Medicine"
- c. "pro choice"
- d. "pro life"
- e. "pro-choice"
- f. "Pro-choice"
- g. "pro-life"
- h. "SBA List"
- i. Abortion
- j. Dannenfelser
- k. Kacsmayk
- l. Lozier
- m. Prolife
- n. Unborn

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 2 of its request to emails sent by Dr. Rafferty. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, both Dr. Rafferty's response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

For both parts of this request, please provide all responsive records from June 1, 2023, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Law.¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and
