Re: Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Centers for Disease Control and Prevention (CDC) produce the following records within twenty business days:

For both parts of this request, please provide all responsive records from December 1, 2024, through the date the search is conducted.

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) the CDC officials listed below, or anyone communicating on their behalf, such as an assistant or scheduler, and (b) the external individuals and entities also listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

CDC Officials:

- a. Director Mandy Cohen
- b. Principal Deputy Director Nirav Shah
- c. Chief Medical Officer Debra Houry
- d. Dr. Dylan George

External Entities and Individuals:

- i. Robert F. Kennedy, Jr. (teamkennedy.com)
- ii. President-elect Donald Trump and/or anyone communicating on his behalf and/or on behalf of Donald J. Trump for President 2024 and/or Trump Save America Joint Fundraising Committee (donaldjtrump.com, trump.com, trumhotels.com, donaldtrump.com, 45office.com)

- iii. Vice President-elect JD Vance and/or anyone communicating on his behalf
- iv. Anyone communicating on behalf of the Trump Vance 2025 Transition Team (transition47.com, trumpvancetransition.com, dtjtfp24.com)
- v. Anyone communicating on behalf of the Trump Vance Inaugural Committee (t47inaugural.com)
- vi. Anyone communicating on behalf of the Presidential Transition Team (ptt.gov)

Please note that American Oversight does not seek, and that part 1 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. For example, if a listed official received a mass-distribution news clip email containing the term from an email ending in @trump.com, that initial email would not be responsive to this request. However, if that official forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

- 2. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) sent by the officials listed above in part 1 containing both a key term listed below in Column A and a key term listed in Column B.

Key Terms:

Column A	Column B
1. “avian influenza”	1. “presidential transition”
2. “avian flu”	2. RFK
3. “bird influenza”	3. Vance
4. “bird flu”	4. Trump
5. H5	5. Kennedy
6. H5N1	6. “HHS secretary”
7. outbreak	7. “future secretary”
8. pasteurize	8. “next secretary”
9. “raw milk”	

To clarify, an email sent by an official that included both “bird flu” and “Trump” would be responsive. An email sent by an official that included “outbreak” but did not include any of the terms in Column B would not be responsive.

To the extent that your agency has the capacity to run Boolean searches, American Oversight believes the following search string is an example of one that would be most effective in the search for responsive records: “avian influenza” AND (“presidential transition” OR “RFK” OR “Vance” OR “Trump” OR “Kennedy” OR “HHS secretary” OR “future secretary” OR

“next secretary”). American Oversight is available to work with you to construct an appropriate search, based on your search capabilities, to most efficiently identify responsive records.

In an effort to accommodate your agency and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the officials listed in part 2. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specific individual’s response to an email and the initial received message are responsive to this request and should be produced.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency’s regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is “in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government.”¹ The public has a significant interest in the recent outbreaks of the H5N1 Bird Flu.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including how current and future public health officials are discussing and handling the outbreak. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request “is not primarily in the commercial interest of the requester.”³ In fact, as a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose, and the release of the information requested is not in American Oversight’s commercial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to responsive records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.¹¹ It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.¹²
- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,¹³ and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact David Kronig at foia@americanoversight.org or (202) 897-3915.
