Re: Right-to-Know Law Request

Dear Open Records Officer:

Pursuant to the Right-to-Know Law (RTKL), as codified at 65 P.S. §§ 67.101 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Office of the Philadelphia Mayor produce the following records within five business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the Office of the Philadelphia Mayor officials listed below and containing any of the key terms listed below.

Office of the Philadelphia Mayor Officials:

- i. Cherelle Parker, Mayor
- ii. Tiffany Thurman, Chief of Staff
- iii. Sincere Harris, Chief Deputy Mayor of Intergovernmental Affairs
- iv. Aren Platt, Chief Deputy Mayor of Planning and Strategic Initiatives
- v. Dominick Mireles, Director, Office of Emergency Management

Key Terms:

- a. Trump
- b. Homan
- c. Noem
- d. border
- e. deport
- f. ICE¹

¹ American Oversight does not object to excluding results where “ICE” is the only key term to appear in the record and the term is not in reference to Immigration and Customs Enforcement.

- g. “Immigration and Customs Enforcement”
- h. raid
- i. “FEMA grant”
- j. “FEMA funding”
- k. “federal grant”
- l. “federal funding”
- m. “migrant crime”
- n. “sanctuary status”
- o. “sanctuary city”

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of this request to emails sent by the specified individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both an individual’s response to an email and the initial received message are responsive to this request and should be produced.

- 2. A complete copy (including any attachments) of any formal or informal policy, guidance, directives, agreements, or protocol regarding cooperation between Philadelphia agencies and U.S. Immigration and Customs Enforcement (ICE).

For both parts of this request, please provide all responsive records from November 5, 2024, through the date the search is conducted.

If American Oversight’s request for a fee waiver, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.**

Fee Waiver Request

In accordance with 65 P.S. § 67.1307(f)(2), American Oversight requests a waiver of fees associated with processing this request for records, because disclosure of the requested information is “in the public interest.”

The public has a significant interest in potential collaboration between Philadelphia agencies and ICE officials.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent officials plan to collaborate with ICE on mass deportation operations.

American Oversight is committed to transparency and makes the responses agencies provide to open records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).³

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁴ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;⁵ posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;⁶ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico

Finally, this request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest.

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. using unofficial systems or stored outside of official files are subject to the Right-to-Know Law.⁹

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records under 65 P.S. § 67.706. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
