Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your agency produce the following within three business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by the Georgia Public Service Commission officials listed below, or anyone communicating on their behalf, such as an assistant or scheduler, and containing any of the key terms listed below.

Georgia Public Service Commissioners:

- a. Chairman Jason Shaw
- b. Vice Chairman Tim Echols
- c. Commissioner Fitz Johnson
- d. Commissioner Lauren McDonald
- e. Commissioner Tricia Pridemore

Key Terms:

- i. "11th Circuit"
- ii. "Eleventh Circuit"
- iii. "Chris Wright"
- iv. "Energy and Policy Institute"
- v. EPI
- vi. Grimberg
- vii. McCorckle
- viii. Mosley
- ix. "Voting Rights Act"
- x. VRA
- xi. Woodall

xii. Zeldin

In an effort to accommodate the Georgia Public Service Commission and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the officials listed in part 1. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specified official's response to an email containing any of the key terms listed above and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent or received by (a) the officials listed above in part 1, or anyone communicating on their behalf, such as an assistant or scheduler, and (b) the external individuals and entities listed below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

External Individuals and Entities:

- i. Georgia Governor Brian Kemp and/or anyone communicating on his behalf
- ii. Georgia Lt. Governor Burt Jones and/or anyone communicating on his behalf
- iii. State Elections Board Member Janice Johnston (jjohnstonmd.seb@gmail.com)
- iv. State Elections Board Member Rick Jeffares (rjeffares.seb@gmail.com)
- v. State Elections Board Member Janelle King (jking.seb@gmail.com)
- vi. Joshua "Josh" McKoon
- vii. Suzi Voyles
- viii. Julie Adams
- ix. Salleigh Grubbs
- x. Bridget Thorne
- xi. Kimberly Slaughter
- xii. David Cross
- xiii. David Shafer

For both parts of this request, please provide all responsive records from June 1, 2024, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
