EXTERNAL SENDER

Good afternoon,

The Secretary of State's Office is in receipt of your request:

All records reflecting any actual or projected expenditures associated with the 2024 citizenship audit by the Georgia Secretary of State's Office and any subsequent investigations undertaken by the Georgia Attorney General's Office as a result of this audit, including any expenditures related to the hiring of additional staff and any records reflecting time spent completing the audit or subsequent investigations¹

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting these costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

There are no responsive records. For investigations regarding the Attorney General's office, please contact them: [Contact the Office of the Attorney General | Office of the Attorney General](#).

Best,

Open Records Request
