Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Pursuant to the South Carolina Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your agency promptly produce the following records:¹

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by the officials listed below and containing any of the key terms listed below.

Office of the Attorney General Officials:

1. Alan Wilson, Attorney General
2. Whitney Michael, Chief of Staff
3. William Jeffrey "Jeff" Young, Chief Deputy Attorney General
4. Donald Zelenka, Deputy Attorney General

Key Terms:

- a. "Bryan Gantt"
- b. "criminal abortion"
- c. "Daley Carpenter"
- d. "Dr. Carpenter"
- e. "extradition order"
- f. "Maggie Carpenter"
- g. "Margaret Carpenter"

¹ Pursuant to S.C. Code Ann. § 30-4-30(C), please notify American Oversight of your final determination as to the public availability of the requested records within ten business days and produce the records within thirty calendar days after issuing your final determination.

- h. “shield law”
- i. “shield laws”
- j. “Tony Clayton”
- k. “abortion inducing”
- l. “abortion-inducing”

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the listed officials. To be clear, however, American Oversight still requests complete email chains be produced, displaying both sent and received messages. For example, both a listed official’s response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from December 1, 2024, through the date the search is conducted.

Fee Waiver Request

In accordance with S.C. Code Ann. § 30-4-30(B), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. In addition, this request is primarily and fundamentally for non-commercial purposes.

A waiver of fees is “in the public interest because furnishing the information can be considered as primarily benefiting the general public.”² The general public has a significant interest in understanding state officials’ interpretation of shield laws.³ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent state officials are discussing the matter. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁰ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a
