**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce copies of the following records within three business days:

1. Records sufficient to identify all materials (including, but not limited to, reports, analyses, recommendations, or guidance from internal or external entities) upon which State Representative Cody Smith relied in determining the \$8,658,561 appropriation for alternatives to abortion programs in House Bill 11 (2023).

For part 1 of this request, please provide all responsive records from January 1, 2023, through May 1, 2023.

2. Records sufficient to identify all materials (including, but not limited to, reports, analyses, recommendations, or guidance from internal or external entities) upon which State Representative Cody Smith relied in determining the \$8,658,561 appropriation for alternatives to abortion programs in House Bill 2011 (2024).

For part 2 of this request, please provide all responsive records from January 1, 2024, through May 1, 2024.

3. Copies of any impact reports or assessments provided to former State Representative Cody Smith by any direct service provider operating under the Missouri Alternatives to Abortion Program.

For part 3 of this request, please provide all responsive records from January 1, 2023, through January 7, 2025.

4. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) State Representative Cody Smith or anyone communicating on his behalf, and (b) the external entities listed below (including, but not limited to, anyone communicating from an email address ending in the listed domain(s)).

Please note that American Oversight does not seek, and that part 4 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. For example, if Representative Smith received a mass-distribution news clip email from a listed external entity or individual, that initial email would not be responsive to this request. However, if he forwarded that email with his own commentary, that subsequent message would be responsive to this request and should be produced.

For part 4 of this request, please provide all responsive records from January 1, 2023, through May 1, 2024.

5. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Representative Cody Smith or anyone communicating on his behalf and containing any of the key terms listed below.

Key Terms:

- a. A2A
- b. Pregnancy
- c. Pregnant

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 5 of its request to emails sent by Representative Smith. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. For example, both Representative Smith's response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

For part 5 of this request, please provide all responsive records from January 1, 2023, through May 1, 2024.

If American Oversight's request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

**Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."<sup>1</sup> The public has a significant interest in the use of state funds for alternatives to abortion programs.<sup>2</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including how funding amounts are determined by state lawmakers. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>5</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;<sup>6</sup> posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;<sup>7</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.<sup>10</sup>
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.

<sup>10</sup> Mo. Rev. Stat. § 610.010(6).

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>11</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
