**Re: Public Records Law Request**

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Allen Parish Sheriff's Office produce the following records within three business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the Allen Parish Sheriff's Office officials listed below, and/or anyone communicating on their behalf, such as an assistant, secretary, and/or chief of staff, and containing any of the key terms listed below.

Allen Parish Sheriff's Office Officials:

- i. Douglas Hebert, Sheriff
- ii. Blair Fontenot, Chief Criminal Deputy
- iii. Michael Manuel, Warden

Key Terms:

- a. "CFR 236.6"
- b. "CFR 236"
- c. "C.F.R. 236.6"
- d. "C.F.R. 236"
- e. "§ 236.6"
- f. "§ 236"
- g. "Part 236"
- h. "Part 236.6"
- i. "records rule"

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of this request to emails sent by the specified individuals. To

be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both an individual's response to an email and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between any of the Allen Parish Sheriff's Office officials listed above in part 1, and/or anyone communicating on their behalf, such as an assistant, secretary, and/or chief of staff, and (b) any of the external entities listed below (including the listed domains).

External Entities:

- a. U.S. Department of Homeland Security (hq.dhs.gov)
- b. U.S. Immigration and Customs Enforcement (ice.dhs.gov)

Please note that American Oversight does not seek, and that part 2 of this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. In other words, for example, if an official received a mass-distribution news clip email from the U.S. Department of Homeland Security, that initial email would not be responsive to this request. However, if the official forwarded that email to another listed individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

3. All records reflecting policies, procedures, and practices—both formal and informal—prepared by, received by, or otherwise in the possession of the Allen Parish Sheriff's Office regarding responding to public records requests for records regarding a person detained by Immigration and Customs Enforcement (ICE) in the custody of the Allen Parish Sheriff's Office.

**For all parts of this request, please provide all responsive records from July 1, 2024, through the date the search is conducted.**

**Fee Waiver Request**

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight's use of the requested records "will be limited to a public purpose."

This request is made solely for a public purpose. The public has a significant interest in ICE partnerships with local law enforcement and detention facilities.<sup>1</sup> Records with the

potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the scope of the Allen Parish Sheriff's Office collaboration with ICE. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is fundamentally made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. ### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. - In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
