**Re: Public Records Law Request**

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Allen Parish Sheriff's Office produce the following records within three business days:

1. Records sufficient to identify the number of people detained by Immigration and Customs Enforcement (ICE) in the custody of the Allen Parish Sheriff's Office that have sought medical treatment or care.
2. Records sufficient to identify the number of complaints, whether official or unofficial, submitted to the relevant offices in your agency by anyone detained by ICE in the custody of the Allen Parish Sheriff's Office regarding Allen Parish Public Safety Complex facility standards or conditions.

To the extent that your agency maintains aggregated information, such as spreadsheets or database records that can be readily exported to spreadsheets, such documents would be responsive to this request.

3. All complaints and/or dissent memoranda, including, but not limited to grievance or ethics complaints, submitted by anyone detained by ICE in the custody of the Allen Parish Sheriff's Office regarding Allen Parish Public Safety Complex facility standards or conditions.

To be clear, American Oversight is **not** asking your agency to release the names of any individuals or offenders who have submitted responsive documents and does not object to withholding the name of any individual expressing consent.

**For all parts of this request, please provide all responsive records from January 1, 2024, through the date the search is conducted.**

## **Fee Waiver Request**

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight's use of the requested records "will be limited to a public purpose."

This request is made solely for a public purpose. The public has a significant interest in ICE partnerships with local law enforcement and detention facilities.<sup>1</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the scope of the Allen Parish Sheriff's Office collaboration with ICE. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is fundamentally made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).<sup>2</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>3</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;<sup>4</sup> posting records and analysis of federal and state governments'

To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Public business communications conducted on private email accounts and devices are public records subject to the Public Records Law.<sup>8</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
