**Re: Freedom of Information Act Request**

Dear FOIA Officer(s):

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, American Oversight makes the following request for records.

On a March 30, 2025 phone call with NBC News, President Trump did not rule out the possibility of seeking a third term as president.<sup>1</sup> American Oversight seeks records with the potential to shed light on this matter.

**Requested Records**

American Oversight requests that your agency produce the following records within twenty business days:

1. Records sufficient to identify the titles of any opinions issued by the Office of Legal Counsel since January 20, 2025, regarding the Twelfth, Twentieth, and/or Twenty-Second Amendments of the Constitution of the United States.

2. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) sent by the Department of Justice (DOJ) officials listed below to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, .legal, .ch, .me, or .group and containing any of the key terms listed below.

DOJ Officials:

1. Pamela Bondi, Attorney General
2. Todd Blanche, Deputy Attorney General
3. Chad Mizelle, Chief of Staff
4. Emil Bove, Principal Associate Deputy Attorney General
5. Lanora Pettit, Deputy Assistant Attorney General
6. Anyone serving in the capacity of Chief of Staff of the Office of Legal Counsel

Key Terms:

- a. “third term”
- b. “three terms”
- c. “twenty second”
- d. “twenty-second”
- e. “22nd amendment”
- f. Nonconsecutive
- g. Non-consecutive
- h. “non consecutive”
- i. “term limit”

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the listed officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both a listed official’s response to an email from an email address ending in .com and containing a listed key term and the initial received message are responsive to this request and should be produced.

**For both parts of this request, please provide all responsive records from January 20, 2025, through the date the search is conducted.**

**Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency’s regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is “in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government.”<sup>2</sup> The public has a significant interest in the possibility of President Trump seeking a third term in office.<sup>3</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including whether and to what extent DOJ officials have communicated about such a possibility. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request “is not primarily in the commercial interest of the requester.”<sup>4</sup> In fact, as a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose, and the release of the information requested is not in American Oversight’s commercial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).<sup>5</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>6</sup> Examples reflecting this commitment include the posting of records related to the first Trump Administration’s contacts with Ukraine and analyses of those contacts;<sup>7</sup> posting records and editorial content about the federal government’s response to the COVID-19 pandemic;<sup>8</sup> posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the first Trump

Accordingly, American Oversight qualifies for a fee waiver.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the

Federal Records Act and FOIA.<sup>12</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>13</sup>

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>14</sup> and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

## **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more
