Re: Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, American Oversight makes the following request for records.

On Apr. 28, 2025, President Trump signed the executive order "Protecting American Communities from Criminal Aliens."[1] This order directs the Department of Justice (DOJ) and Department of Homeland Security (DHS) to identify a list of sanctuary jurisdictions, and for agencies to restrict federal funding to these identified jurisdictions.[2] American Oversight seeks records with the potential to shed light on the implementation of this executive order.

Requested Records

American Oversight requests that your agency produce the following records within twenty business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the Office of Management and Budget (OMB) officials listed below and containing the key term "sanctuary".

   Office of Management and Budget Officials:
   a. Russ Vought, Director
   b. James Bishop, Deputy Director
   c. Mark Paoletta, General Counsel
   d. Anyone serving as Chief of Staff
   e. Anyone serving as Senior Advisor

[1] *See* Exec. Order 14287, *Protecting American Communities from Criminal Aliens*, 90 Fed. Reg. 18761 (Apr. 18, 2025).
[2] *See, e.g.*, Joel Rose, *The White House Threatens Sanctuary Cities in Another EO, But Courts Are Skeptical*, NPR (Apr. 28, 2025, 7:45 PM), https://www.npr.org/2025/04/28/nx-s1-5379614/white-house-threatens-sanctuary-cities-again.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of this request to emails sent by the specified individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both an individual's response to an email and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the OMB officials listed above in part 1 and containing both a key term from Column A and a key term from Column B.

Key Terms:

Column A	Column B
i. immigration	i. school
ii. immigrant	ii. university
iii. migrant	iii. universities
iv. alien	iv. college
v. illegal	v. student
vi. undocumented	vi. tuition
	vii. "in state"
	viii. in-state

To clarify, an email sent by an official that included both "immigration" and "school" would be responsive. An email sent by an official that included "immigration" but did not include any of the terms listed in Column B would not be responsive.

To the extent that your agency has the capacity to run Boolean searches, American Oversight believes the following search string is an example of one that would be most effective in the search for responsive records: "immigration" AND ("school" OR "university" OR "universities" OR "college" OR "student" OR "tuition" OR "in state" OR "in-state"). American Oversight is available to work with you to construct an appropriate search, based on your search capabilities, to most efficiently identify responsive records.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 2 of this request to emails sent by the specified individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both an individual's response to an email and the initial received message are responsive to this request and should be produced.

For parts 1-2 of this request, please provide all responsive records from March 1, 2025, through the date the search is conducted.

3. All formal or informal final directives (including informal email communications), guidance, protocol, or policies created by, issued to, or otherwise provided to OMB regarding compliance with Exec. Order 14287 "Protecting American Communities from Criminal Aliens," including, but not limited to, the suspension or termination of federal funds to sanctuary jurisdictions.[3]

For part 3 of this request, please provide all responsive records from April 21, 2025, through the date the search is conducted.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."[4] The public has a significant interest in the executive order "Protecting American Communities from Criminal Aliens," which targets sanctuary jurisdictions.[5] Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including how agencies plan to implement this executive order. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request "is not primarily in the commercial interest of the requester. "[6] In fact, as a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose, and the release of the information requested is not in American Oversight's commercial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.

- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.[14] It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.[15]

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,[16] and many

agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Danny Martinez at foia@americanoversight.org or (202) 897-2465. Also, if American Oversight's request
