Re: Public Records Request

Dear Public Records Officer:

Pursuant to the California Public Records Act, Cal. Gov't Code §§ 7920.000 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within ten days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed below and containing any of the key terms listed below.

   Office of the San Francisco Mayor Officials:
   i. Daniel Lurie, Mayor
   ii. Staci Slaughter, Chief of Staff
   iii. Matthew Goudeau, Deputy Chief of Staff
   iv. Paul Yep, Chief of Public Safety
   v. Eileen Mariano, Manager, State & Federal Legislative Affairs

   Key Terms:
   a. sanctuary
   b. "Protecting American Communities"
   c. "criminal alien"
   d. "criminal aliens"

   In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 1 of this request to emails sent by the specified individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means

that both an individual's response to an email and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between any of the officials listed above in part 1, and (b) any of the external entities listed below (including the listed domains).

External Entities:
a. Office of Management and Budget (omb.eop.gov)
b. U.S. Customs and Border Protection (cbp.dhs.gov)
c. U.S. Department of Homeland Security (hq.dhs.gov)
d. U.S. Department of Justice (usdoj.gov)
e. U.S. Immigration and Customs Enforcement (ice.dhs.gov)
f. White House Office (who.eop.gov)

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications responding to or forwarding such emails are responsive to this request. In other words, for example, if an official received a mass-distribution news clip email from the Office of Management and Budget, that initial email would not be responsive to this request. However, if the official forwarded that email to another listed individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For parts 1-2 of this request, please provide all responsive records from April 21, 2025, through the date the search is conducted.

3. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by any of the officials listed above in part 1 and containing any of the key terms listed below.

Key Terms:
a. "federal grant"
b. "federal grants"
c. "federal fund"
d. "federal funds"
e. "federal funding"
f. "executive order"

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part 3 of this request to emails sent by the specified individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means

that both an individual's response to an email and the initial received message are responsive to this request and should be produced.

For part 3 of this request, please provide all responsive records from April 28, 2025, through May 5, 2025.

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- If any records are withheld in full or in part, please demonstrate that the record(s) in question are exempt under the express provisions of the California Public Records Act or that the public interest served by not disclosing the record(s) clearly outweighs the public interest served by disclosure of the record(s).[1]
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.[2] If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

[1] Cal. Gov't Code § 7922.000.
[2] Cal. Gov't Code § 7922.525(b).

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
