Relating to the separation of federal elections from state and local elections, and to related practices and procedures.

Companions: SB 106 Hall, Bob (Identical)
2- 3-25 S Introduced and referred to committee on Senate State Affairs

Remarks: SUMMARY: This bill segments federal elections from state elections to bypass the federal prohibition against checking citizenship of voters prior to registration.

BACKGROUND: It is unlawful for noncitizens to vote in Texas elections, but there is a federal law that prevents states from checking citizenship on the front end. Arizona is currently the only state that has a segmented election.

AGENCY IMPACT: This bill will require extensive work for our agency. We will have to essentially conduct 2 separate elections and manage 2 separate registration processes.

AGENCY FISCAL IMPACT: Significant. Will require additional staff and major technology adjustments.

ESTIMATED COST: TBD

LOCAL IMPACT: Here would describe impact to counties.

FOR/AGAINST: Here list groups (not members) that favor/oppose.

STAFF COMMENTS: Here provide information about what we are hearing about the bill's chances. What members support/oppose.
