BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter B, Chapter 1114, Insurance Code, is amended by adding Sections 1114.0541 and 1114.0542 to read as follows:

Sec. 1114.0541. PROCESSING OF ANNUITY **CONTRACT** EXCHANGES. (a) In this section, "exchange" means an annuity replacement transaction:

(1) in which the money in an existing annuity **contract** must pass directly from the existing annuity **contract** and existing insurer to a new annuity **contract** and a replacing insurer; and

(2) in which the owner and annuitant of the new **contract** are the same as the owner and annuitant of the existing **contract**, regardless of whether the owner or annuitant may be changed after completion of the transaction.

(b) If a transaction involves an exchange of an annuity **contract**, the existing insurer and the replacing insurer shall comply with this section.

(c) To initiate an exchange of an annuity **contract**, the replacing insurer shall provide the existing insurer an exchange request notice on a form provided by the existing insurer. An existing insurer shall make an exchange request notice form available on the insurer's Internet website or require a **contract** owner or replacing insurer to request from the insurer a physical copy of the form.

(6) any disclosure documents required by federal law relating to an exchange or replacement of an annuity.

(e) An existing insurer that receives an exchange request notice from the **contract** owner and the replacing insurer shall:

(2) unless the existing annuity **contract** being exchanged has a provision that gives the existing insurer the right to defer payment for a different period, and subject to Subsection (f), transfer the **contract** value of the existing annuity to the replacing insurer not later than the 30th business day after the date the existing insurer receives the notice.

(f) If an exchange request notice form provided to an existing insurer under Subsection (c) does not include all required information, the applicable period to transfer the **contract** value does not begin until the day the existing insurer receives all required information from the replacing insurer or **contract** owner, as applicable.

(g) If a transfer payment is not completed within the period provided by Subsection (e)(2) or the existing annuity **contract**, as applicable, the existing insurer shall pay penalty interest on the unpaid amount at an annual rate of 10 percent accruing from the first business day after the date the **contract** value was required to be transferred until the **contract** value is transferred to the replacing insurer in full.

Remarks:
SUMMARY: This bill segments federal elections from state elections to bypass the federal prohibition against checking citizenship of voters prior to registration.

BACKGROUND: It is unlawful for noncitizens to vote in Texas elections, but there is a federal law that prevents states from checking citizenship on the front end. Arizona is currently the only state that has a segmented election.

AGENCY IMPACT: This bill will require extensive work for our agency. We will have to essentially conduct 2 separate elections and manage 2 separate registration processes.

AGENCY FISCAL IMPACT: Significant. Will require additional staff and major technology adjustments.

ESTIMATED COST: TBD

LOCAL IMPACT: Here would describe impact to counties.

FOR/AGAINST: Here list groups (not members) that favor/oppose.
