EXTERNAL SENDER

Good afternoon,

As a follow up to our September 5 email, please follow this link to access an additional production of documents ("10.9.25 Documents") in response to your Request.

The responsive documents contain email addresses of the general public. An email address of a member of the public is confidential under section 552.137 of the Texas Government Code. The attorney general authorized all governmental bodies to withhold an email address of a member of the public without first requesting an attorney general opinion in Open Records Decision No. 684 (2009). Thus, this information has been redacted.
In addition, certain information has been redacted from today's production in accordance with OR2025-031548.
We appreciate your patience as we continue to process your request in accordance with the terms of the PIA. We require additional time to review our records and produce additional responsive documents. We will provide you additional responsive documents on a rolling basis—to the extent such information is not excepted from disclosure under state or federal law—with our next production by 5:00 p.m. on November 13, 2025. *See* Tex. Gov't Code § 552.221(d).

Kind regards,

Jennifer Williams
Legal Assistant to the General Counsel
Office of the Texas Secretary of State

HB 111 Capriglione, Giovanni(R) Relating to the public information law.

Companions:
HB 5027 Capriglione, Giovanni (Identical)
4- 3-25 H Introduced and referred to committee on House Delivery of Government Efficiency

Remarks: Jason Steele (remarks on changes in House CS):CS changes relevant to SOS:

1) The filed bill included in Section 3 a blanket exception to the PIA any information that pertains to active litigation against a governmental body. The CS takes this blanket exception out. The FB and CS both contain clarifying language that communication with an attorney is only confidential if made for the purpose of rendering legal services (i.e. legal advice). Note:This section would have minimal impact to the day-to-day operations, only

AMERICAN OVERSIGHT

exception ruling arguments made to the OAG on certain circumstances.

2) The filed bill included a number of repealers in Section 10 that are not included in the CS. Specifically relevant, the filed bill sought to repeal an exception related to intra/interagency memoranda, however, the CS does not include that repealer.

Changes unrelated to SOS:

1) Related to the definition of a governmental body: The CS includes an additional category of organization that would be subject to the PIA, by defining it as a governmental body. The additional organizations are non-profit associations or organizations, primarily composed of political subdivisions (i.e. TASB, TML, Tx. Assoc. of Counties). The filed bill included a version of this definition, but with a 51% public funding threshold. The new CS threshold is an organization with at least 15 employees and received any public funds.

Relating to the separation of federal elections from state and local elections, and to related practices and procedures.

Companions: SB 106 Hall, Bob (Identical)
2- 3-25 S Introduced and referred to committee on Senate State Affairs

Remarks: SUMMARY: This bill segments federal elections from state elections to bypass the federal prohibition against checking citizenship of voters prior to registration.

BACKGROUND: It is unlawful for noncitizens to vote in Texas elections, but there is a federal law that prevents states from checking citizenship on the front end. Arizona is currently the only state that has a segmented election.

AGENCY IMPACT: This bill will require extensive work for our agency. We will have to essentially conduct 2 separate elections and manage 2 separate registration processes.

AGENCY FISCAL IMPACT: Significant. Will require additional staff and major technology adjustments.

ESTIMATED COST: TBD

HB 1709 (3) Capriglione, Giovanni(R)

Relating to the regulation and reporting on the use of artificial intelligence systems by certain business entities and state agencies.

Remarks:
Summary: Establishes the Texas Responsible Artificial Intelligence Governance Act to regulate the deployment and utilization of AI systems in Texas.

Agency Impact: Applicable to all state agencies

AMERICAN OVERSIGHT

Fiscal Impact: TBD

Staff Comments: Introduces a comprehensive framework to address algorithmic discrimination and protect consumers through the establishment of defined roles for developers, deployers, and distributors of high-risk AI systems. Requires that consumers must be informed with interacting with AI systems capable of affecting consequential decisions in areas such as employment, healthcare, and housing. The bill emphasizes workforce development through a grant program.

SB 707	King, Phil(R)	Relating to the authority of the legislature to determine that certain federal directives are unconstitutional and to prohibit certain government officers and employees from enforcing or assisting.

Remarks:
Summary: The proposed legislation seeks to empower the Texas legislature to recognize and act against specific federal directives deemed to infringe upon state rights and powers, as delineated by the Tenth Amendment of the United States Constitution.

Agency Impact: No expected impact

Fiscal Impact: TBD

Staff Comments: The bill allows the legislature to authorize actions against federal overreach, enabling it to formally declare a federal directive as unconstitutional through a concurrent resolution. This includes clear stipulations on how resolutions must be filed and what elements they must contain, thereby ensuring transparency and specificity in legislative actions.

Finally, the bill notes that inaction by the legislature does not imply compliance with any federal directive nor does it curtail the Texas attorney general's power to contest such directives' legality.

	5- 6-25 H Set on the House Calendar	
SB 852	Middleton, Mayes	(Identical)
	1-17-25 S Filed	

Remarks: Summary: sets forth measures relating to responses to public information if the agency determines there has no information and if the agency determines the requested information is subject to a previous determination that permit/requires the agency withhold the information requested.

AMERICAN OVERSIGHT

Agency Impact: applicable to all agencies - will heavily impact PIRs relating to business filings and elections

Fiscal Impact: TBD

Staff Comments: The bill prevents governmental bodies from imposing charges on requestors under certain conditions, thereby facilitating access to public information. This includes cases where a governmental body fails to provide information on time or if the information pertains to specific election reports.

Litigation relating to information requests is also addressed, as requestors who prevail in court are entitled to recover costs and attorney fees, thus creating an incentive for compliance. Furthermore, the bill allows requestors to lodge complaints with the attorney general for failure of governmental bodies to respond to requests, ensuring more stringent compliance and training for such bodies.

SB 1410	Campbell, Donna(R)	Relating to renaming the Gulf of Mexico as the Gulf of America.

Companions:	HB 3634	Metcalf, Will	(Identical)
		4-14-25 H Committee action pending House State Affairs	

Remarks:

Summary:

The bill adds chapter 2063 to the Government Code renaming the Gulf of Mexico to the Gulf of America and requires all state agencies to align their rules, policies, and administrative actions with federal directives or law regarding renaming the Gulf of Mexico to the Gulf of America.

The bill details the process and required dates of actions and tracking of costs to comply.

The bill is effective immediately if approved by 2/3's vote if not its effective September 1, 2025.

Agency Impact:

The agency would be required to review it rules and policies as it relates to the renaming. The Texas Register would be the recipient of all state agency rule making and official meeting notices regarding the name change.

Fiscal Impact:

There would be no impact to the agency as written.

HB 111 Capriglione, Giovanni(R) Relating to the public information law.

Companions: HB 5027 Capriglione, Giovanni (Identical)

4- 3-25 H Introduced and referred to committee on House Delivery of Government Efficiency

Remarks: Jason Steele (remarks on changes in House CS):CS changes relevant to SOS:

1) The filed bill included in Section 3 a blanket exception to the PIA any information that pertains to active litigation against a governmental body. The CS takes this blanket exception out. The FB and CS both contain clarifying language that communication with an attorney is only confidential if made for the purpose of rendering legal services (i.e. legal advice). Note:This section would have minimal impact to the day-to-day operations, only exception ruling arguments made to the OAG on certain circumstances.

2) The filed bill included a number of repealers in Section 10 that are not included in the CS. Specifically relevant, the filed bill sought to repeal an exception related to intra/interagency memoranda, however, the CS does not include that repealer.

Changes unrelated to SOS:

1) Related to the definition of a governmental body: The CS includes an additional category of organization that would be subject to the PIA, by defining it as a governmental body. The additional organizations are non-profit associations or organizations, primarily composed of political subdivisions (i.e. TASB, TML, Tx. Assoc. of Counties). The filed bill included a version of this definition, but with a 51% public funding threshold. The new CS threshold is an organization with at least 15 employees and received any public funds.

HB 209 (1) Schofield, Mike(R)

Relating to the separation of federal elections from state and local elections, and to related practices and procedures.

Companions: SB 106 Hall, Bob (Identical)
2- 3-25 S Introduced and referred to committee on Senate State Affairs

Remarks: SUMMARY: This bill segments federal elections from state elections to bypass the federal prohibition against checking citizenship of voters prior to registration.

BACKGROUND: It is unlawful for noncitizens to vote in Texas elections, but there is a federal law that prevents states from checking citizenship on the front end. Arizona is currently the only state that has a segmented election.

AGENCY IMPACT: This bill will require extensive work for our agency. We will have to essentially conduct 2 separate elections and manage 2 separate registration processes.

AGENCY FISCAL IMPACT: Significant. Will require additional staff and major technology adjustments.

ESTIMATED COST: TBD

LOCAL IMPACT: Here would describe impact to counties.

FOR/AGAINST: Here list groups (not members) that favor/oppose.

STAFF COMMENTS: Here provide information about what we are hearing about the bill's chances. What members support/oppose.

Relating to the regulation and reporting on the use of artificial intelligence systems by certain business entities and state agencies.

Remarks: Summary: Establishes the Texas Responsible Artificial Intelligence Governance Act to regulate the deployment and utilization of AI systems in Texas.

Agency Impact: Applicable to all state agencies

Fiscal Impact: TBD

Staff Comments: Introduces a comprehensive framework to address algorithmic discrimination and protect consumers through the establishment of defined roles for developers, deployers, and distributors of high-risk AI systems. Requires that consumers must be informed with interacting with AI systems capable of affecting consequential decisions in areas such as employment, healthcare, and housing. The bill emphasizes workforce development through a grant program.
