Re: Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, 6 C.F.R. Part 5, American Oversight makes the following request for records.

Reporting recently revealed that the New York City, New York Immigration and Customs Enforcement (ICE) Enforcement and Removal Operations (ERO) office at 26 Federal Plaza has been detaining immigrants in an overcrowded temporary hold room, with limited access to food and no access to beds or showers.[1] American Oversight seeks records to shed light on the conditions of the 26 Federal Plaza ICE holding facility, including how and whether this facility meets basic standards for humane treatment of detainees.

Requested Records

American Oversight requests that ICE produce the following records within twenty business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by the ICE officials listed below and containing any of the key terms listed below.

   ICE Officials:
   i. Todd Lyons, Acting Director
   ii. Madison Sheahan, Deputy Director
   iii. Jon Feere, Chief of Staff

iv. Marcos Charles, Acting Executive Associate Director, ERO

Key Terms:
a. "temporary hold"
b. "temporary holding"
c. "hold facilities"
d. "hold facility"
e. "hold room"
f. "hold rooms"
g. "hold cell"
h. "hold cells"
i. "holding facilities"
j. "holding facility"
k. "holding room"
l. "holding rooms"
m. "holding cell"
n. "holding cells"
o. "processing cell"
p. "processing cells"

For part 1 of this request, please provide all responsive records from July 10, 2025, through the date the search is conducted.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by the ICE officials listed below and containing any of the key terms listed above in part 1.

ICE Officials:
i. Mellissa Harper, Deputy Executive Associate Director, ERO
ii. William Joyce, Acting Field Office Director, ERO New York City
iii. Judith Almodovar, Deputy Field Office Director, ERO New York City
iv. Anyone serving as Field Office Director, ERO New York City
v. Anyone serving as Deputy Field Office Director, ERO New York City

For part 2 of this request, please provide all responsive records from February 15, 2025, through the date the search is conducted.

In an effort to accommodate your agency and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited this request to emails sent by the officials listed above. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both a specified official's response during the specified time frame and the initial received message are responsive to this request and should be produced.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."[2] The public has a significant interest in the reportedly inhumane conditions of ICE facilities in New York City.[3] Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including how and to what extent ICE facilities are meeting the basic standards of humane treatment of detainees. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request "is not primarily in the commercial interest of the requester."[4] In fact, as a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose, and the release of the information requested is not in American Oversight's commercial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).[5]

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.[6] Examples reflecting this commitment include the posting of records

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.[12] It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.[13]

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,[14] and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs.
