**Re: Public Records Act Request**

Dear Public Records Officer:

Pursuant to the Ohio Public Records Act (PRA), Ohio Rev. Code § 149.43, and other applicable Ohio law, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Ohio Governor's Office promptly produce the following records:

> All records of all telephone calls made, received, and/or transferred to or by Governor Mike DeWine, Chief of Staff Christine Morrison, and/or anyone communicating on their behalf, such as an assistant, secretary, or scheduler. This request includes all billing information and phone records received by the Ohio Governor's Office from any telecommunications provider for (a) state-owned/leased phones maintained by the Ohio Governor's Office, and (b) personal phones or devices to the extent they are used to conduct official business. American Oversight does not object to the redaction of information related to personal telephone calls that do not involve government matters.
>
> **Please provide all responsive records from August 10, 2025, through August 25, 2025.**

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fee.

**Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.[1] If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
