Re: D.C. Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the District of Columbia Freedom of Information Act (FOIA), D.C. Code §§ 2-531 et seq., and implementing regulations at 1 DCMR §§ 400 et seq., American Oversight makes the following request for records.

On June 14, 2025, the Trump administration hosted a military parade in Washington, D.C., to honor the U.S. Army's 250th anniversary.[1] American Oversight seeks records to shed light on the implementation of the parade, including records that highlight the parade's cost.

Requested Records

American Oversight requests that your agency produce the following records within fifteen business days:

1. All records reflecting any expenditures associated with the military parade held on June 14, 2025, including any expenditures related to the purchasing of equipment (such as barricades or stage fixtures) and/or the hiring of extra personnel.[2]

   To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting these costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

2. All records reflecting any reports, impact assessments, or analyses related to any damages or incidentals incurred by the District of Columbia as a result of the military parade on June 14, 2025.

Fee Waiver Request

In accordance with D.C. Code § 2-532(b), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request "is in the public interest because furnishing the information can be considered as primarily benefiting the general public."[3]

The general public has a significant interest in the recent military parade held by the Trump administration.[4] Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the D.C. government, including how much the Trump administration's military parade cost American taxpayers.

American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the general public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).[5]

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.[6] Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the organization's investigations into misconduct and corruption in state governments;[7] the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;[8] posting records received
