Re: D.C. Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the District of Columbia Freedom of Information Act (FOIA), D.C. Code §§ 2-531 et seq., and implementing regulations at 1 DCMR §§ 400 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within fifteen business days:

> All records reflecting the contents of any meetings or calls attended by, at a minimum, Executive Assistant Chief Jeffery Carroll and Stephen Miller. This request includes any agendas, minutes, meeting notes, transcripts, lists of meeting attendees, or materials displayed or exchanged during the meetings (such as handouts or PowerPoint presentations) or provided in advance of the meetings (such as preparation materials provided with a meeting invitation).

> **Please provide all responsive records from August 10, 2025, through the date the search is conducted.**

Fee Waiver Request

In accordance with D.C. Code § 2-532(b), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request "is in the public interest because furnishing the information can be considered as primarily benefiting the general public."[1]

The general public has a significant interest in the ongoing presence of federal law enforcement, immigration enforcement, and military personnel in Washington, D.C.[2] Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the D.C. government, including the extent to which local officials coordinated with the White House on the issuance of an executive order ordering indefinite coordination with federal law enforcement and the potential economic impact to Washington, D.C. from the presence of law enforcement.

American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the general public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and X (formerly Twitter).[3]

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.[4] Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the organization's investigations into misconduct and corruption in state governments;[5] the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;[6] posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the first Trump administration's proposed construction of a

Finally, this request is for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest.

Accordingly, furnishing the information sought through this request can be considered as primarily benefiting the general public, and American Oversight thus qualifies for a fee waiver.

prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
