**Re: Public Records Act Request**

Dear Public Records Custodian:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce the following records as promptly as possible:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between any of the officials listed below and Dallas Woodhouse.

   Chatham County Board of Elections Officials:
   i. Tad VanDusen, Chair
   ii. Erika Lindemann, Secretary
   iii. Frank Dunphy, Member
   iv. Bob Tyson, Member
   v. Laura Heise, Member

2. All text messages (including complete text message threads or conversations) and messages on messaging platforms (such as Signal, Slack, GChat or Google Hangouts, Lync, Skype, X (formerly Twitter) direct messages, Facebook messages, Microsoft Teams messages, WhatsApp, Telegram, Parler, Mattermost, Wickr, TeleMessage, TM SGNL or any app that can interface with an app such as those listed or otherwise borrow its technology) between any of the officials listed above in part 1, and Dallas Woodhouse.

   American Oversight requests that all images, videos, audio recordings, or other attachments regarding official government business shared via text message or messaging platforms be produced in response to this request.

American Oversight is not in a position to provide a phone number for Dallas Woodhouse. If the listed officials are unable to provide them, please use Dallas Woodhouse's name as search terms. In other words, a search for text messages between an official and Dallas Woodhouse would be conducted by searching the official's text messages using the key terms "Dallas" and "Woodhouse" to identify potentially responsive records.

**For both parts of this request, please provide all responsive records from August 1, 2025, through the date the search is conducted.**

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fee.

**Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.[1]
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.[2]
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of

[1] N.C. Gen. Stat. Ann. § 132-1(a) (public records consist of documentary material "regardless of physical form or characteristics.").

the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
