RE: Public Information Request for the Metadata for sent email from a list of DPS executives with a list of keywords– DPS PIR # P022761-101425

The Department of Public Safety received your above-referenced request for information on October 14, 2025. Please log into the system to retrieve the information located in response to your request.

The Department has located other records responsive to your request. However, we believe the record may be excepted from required public disclosure at this time. We are seeking a ruling from the Office of the Attorney General ("OAG") with respect to disclosure of these records, and a copy of our request letter is enclosed. You will be notified directly by the OAG when a ruling is issued.

If you have any questions regarding this request, please submit them in writing via email to publicrecords@dps.texas.gov or via mail to the address in the letterhead. Thank you.

Cordially,

Brian Riemenschneider
Assistant General Counsel

Topic: Voter Registration

Description: What challenges and obstacles are you experiencing? What effective strategies have been implemented to minimize issues? We invite members to participate at this AAMVA-facilitated call designed for peer-to-peer discussion focused on defining these challenges while sharing collaborative solutions.

Background

AAMVA's newest division, Motor Vehicle Administration Operations and Customer Experience is launching an AAMVA facilitated peer to peer monthly town hall. These town halls will explore various MVA topics related to operations and customer service/experience strategies. The goal is to provide a forum for open dialogue on significant issues and challenges, while fostering collaboration between jurisdictions to exchange potential solutions. It is also a purposeful way to network with your peers on dedicated topics.

Upcoming Town Hall Topics

Invitations will be emailed for each Town Hall and an agenda will be provided prior to the call.
September 16th REAL ID – The enforcement date has come and gone. Are there any current obstacles you and your customers are facing and what marketing strategies have you used to help customers?
October 28th Employee engagement and retention strategies – What are the newest employee engagement strategies that you have implemented? Are they working? What advice would you give to other jurisdictions looking to improve employee engagement and retention?

AMERICAN OVERSIGHT

If you have questions or have staff that you would like to include in future Town Halls, please reach out to Darcy Doty, Vice President, Motor Vehicle Administration Operations and Customer Experience at: ddoty@aamva.org

Topic: Voter Registration

Description: What challenges and obstacles are you experiencing? What effective strategies have been implemented to minimize issues? We invite members to participate at this AAMVA-facilitated call designed for peer-to-peer discussion focused on defining these challenges while sharing collaborative solutions.

Background

AAMVA's newest division, Motor Vehicle Administration Operations and Customer Experience is launching an AAMVA facilitated peer to peer monthly town hall. These town halls will explore various MVA topics related to operations and customer service/experience strategies. The goal is to provide a forum for open dialogue on significant issues and challenges, while fostering collaboration between jurisdictions to exchange potential solutions. It is also a purposeful way to network with your peers on dedicated topics.

Upcoming Town Hall Topics

Invitations will be emailed for each Town Hall and an agenda will be provided prior to the call.
September 16th REAL ID – The enforcement date has come and gone. Are there any current obstacles you and your customers are facing and what marketing strategies have you used to help customers?
October 28th Employee engagement and retention strategies – What are the newest employee engagement strategies that you have implemented? Are they working? What advice would you give to other jurisdictions looking to improve employee engagement and retention?

AMERICAN OVERSIGHT

If you have questions or have staff that you would like to include in future Town Halls, please reach out to Darcy Doty, Vice President, Motor Vehicle Administration Operations and Customer Experience at: ddoty@aamva.org

Subject: FW: Texas Voter Registration Application - VR Form

Frannie,

SOS has sent us a new version of the VR-64 form that includes information about a person's previous residence address. I have contacted Dan Wilcox about this and he will send us a transition plan from the current VR-64 to this new format. He informed me that the cost will be higher to print these cards. I will share the plan with you as soon as I receive it.

SOS told us we can deplete our current stock before we use the new version. Dan informed me that he has stock to last us about 2 months and this was the perfect time to order a new batch.

We have asked for a meeting with SOS to understand the magnitude of this change – whether this change will have to be made to online and IVR processes, whether the forms will have to be modified and the batch files as well. Once we get more clarity on the scope of this effort, I will share it with you.

Please let me know if you have any questions.

Frannie,

SOS has sent us a new version of the VR-64 form that includes information about a person's previous residence address. I have contacted Dan Wilcox about this and he will send us a transition plan from the current VR-64 to this new format. He informed me that the cost will be higher to print these cards. I will share the plan with you as soon as I receive it.

SOS told us we can deplete our current stock before we use the new version. Dan informed me that he has stock to last us about 2 months and this was the perfect time to order a new batch.

We have asked for a meeting with SOS to understand the magnitude of this change – whether this change will have to be made to online and IVR processes, whether the forms will have to be modified and the batch files as well. Once we get more clarity on the scope of this effort, I will share it with you.

Please let me know if you have any questions.

Good Afternoon,

Chiefs, SOS was able to find the files that they thought were missing. Apparently, one of their batch jobs was picking up the files and moving them somewhere else on their side. So, this can be considered closed.

Good Morning,

Frannie,

AMERICAN OVERSIGHT

On 7/11, Secretary Of State transitioned to a new system. Yesterday, they informed us that they have not received the weekly non-citizen files and the daily citizenship files from us since 7/11.

We are working with IT to look into this and will keep you posted.

Thank you,

Good Morning ladies,

Frannie and Rebekah,

SOS has modified the VR-64 form (legislatively mandated) and we need to start sending out this new version once we have depleted our current stock of the old forms.

Here is the quote for printing the new VR-64 voter registration forms to be mailed to customers along with the mail-in renewal form.

Printing the new form will cost us ~ $0.09 per piece compared to the old one at ~ $0.06 per piece.

Factors for increase in price:

- Larger flat size (more paper and more press time)
- Increased length of peel n stick tape

Once you approve, I will let Dan know to proceed with the printing.
