Good morning,

The Sheriff has informed that he was contacted by two federal officials confirming that CBP personnel will be arriving to Charlotte this weekend or early next week. I am putting together a statement to be sent out as a press release, per his request. We still don't have a lot of information, but it's a step further. I have received one media request asking for an update, and I'm sure we will receive more throughout the day.

Hi Mr. Smith,
My name is Diego Barahona, and I'm a journalist with **La Noticia, The Spanish-Language News organization in NC.**
I'm reaching out because we've heard that U.S. Customs and Border Protection (CBP) has contacted the Mecklenburg County Sheriff's Office regarding the possible arrival of CBP agents in the City of Charlotte in **January 2026**.
Could you please confirm whether the Sheriff's Office has received any such communication from CBP? If you're able to share, I'd also appreciate any clarification on the nature of the contact (general coordination, planning, request for support, etc.).
Thank you for your time, and I appreciate any guidance you can provide.
Best regards,
Diego Barahona

Hi Mr. Smith,
My name is Diego Barahona, and I'm a journalist with **La Noticia, The Spanish-Language News organization in NC.**
I'm reaching out because we've heard that U.S. Customs and Border Protection (CBP) has contacted the Mecklenburg County Sheriff's Office regarding the possible arrival of CBP agents in the City of Charlotte in **January 2026**.
Could you please confirm whether the Sheriff's Office has received any such communication from CBP? If you're able to share, I'd also appreciate any clarification on the nature of the contact (general coordination, planning, request for support, etc.).
Thank you for your time, and I appreciate any guidance you can provide.
Best regards,
Diego Barahona

Sheriff McFadden Statement on the Conclusion of "Charlotte Webb" CBP Operation - ICE remains operational in Mecklenburg

Charlotte, N.C. — Sheriff Garry L. McFadden was advised late Wednesday night by federal officials that the U.S. Customs and Border Protection (CBP) operation known as *Charlotte Web* has officially concluded. As a result, there will be no CBP Border Patrol operations in Charlotte on Thursday.

It is important to clarify that while the "*Charlotte Web"* Border Patrol operation has ended, U.S. Immigration and Customs Enforcement (ICE) will continue to operate in Mecklenburg County as they have historically. ICE maintains full authority to detain, apprehend, and take into custody any undocumented immigrant in accordance with federal law.

As a reminder, the Mecklenburg County Sheriff's Office will not engage in any enforcement actions regarding immigration with ICE. We will continue to follow the law as it relates to HB-318 and release those in our custody to ICE within the 48-hour time period.

Sheriff McFadden stated:
"As the Sheriff, we will continue to build relationships, mend bridges, and listen to the voices of everyone in our community."

The Mecklenburg County Sheriff's Office will continue to monitor federal activity and provide accurate updates to the public as information becomes available.
