Hello American Oversight,

We have attached some text messages per your request GA-SEB-26-0190, SEBORR26-018.

We will continue working on this request, but I wanted to provide an update on what our searches have produced so far. In the Joe Rossi text message that was redacted, a medical question was directed to Dr. Janice Johnston. This portion was redacted in accordance with O.C.G.A. § 50-18-72(a)(2).

This case remains open as we continue reviewing additional documents that may be responsive. Some records are exempt from release because they contain information related to open and pending investigations, pursuant to O.C.G.A. § 50-18-72(a)(4).

Thank you again for your patience as we complete this request.

Kindest Regards,

State Election Board

STATE ELECTION BOARD

November 24, 2025

Dear: David Cross

RE: SEB2022-015

As a courtesy, you are hereby informed that a matter regarding which you provided information to the State Election Board is on the agenda for the Board's meeting to be held on Tuesday, December 9, 2025, at 9:00 A.M. The meeting will take place at the Georgia State Capitol, Room 341. You are welcome but not required to attend.

Generally, only the respondent, as the party who is accused of a violation, is heard on the allegations. The respondent, as the party accused and any witnesses that the respondent might call, will be afforded the opportunity to offer input for the Board to consider in determining whether a violation was committed and the disposition of the matter. As the complainant, if you are in attendance, you may be asked to speak if there is important information that should be added for consideration. If you are not available to attend, and would like to submit a statement, please email electionboard@sos.ga.gov with your case number in the subject line. Emails must be sent no later than December 2, 2025, to guarantee the Board's review.

The matter involves election violation allegations that were investigated by experienced investigators. During the investigation, the investigators considered facts initially supplied when the matter was opened and any other relevant information obtained and developed regarding the allegations. The investigators have prepared a report which is provided to each of the Board Members to review and study prior to the meeting. The report contains, where appropriate, an evaluation of whether the respondent(s) violated either state election law or State Election Board rules. At the Board meeting, investigators will present to the Board the findings of their investigation. The Board will make its own independent determination whether there was or was not a violation.

The Board has sole discretion to determine if a violation occurred and, if so, how a matter will be resolved. If the Board finds that there has been no violation by the respondent(s), the complaint will be dismissed. If the Board determines there is sufficient evidence to suggest a violation of election law or State Election Board Rules, the Board has several options including but not limited to issuing a Letter of Instruction, a Letter of Reprimand or referring the matter to the Attorney General and/or a District Attorney.

The Board thanks you for your participation in our electoral process and in its ongoing quest for open, accessible, fair, transparent and trustworthy elections.

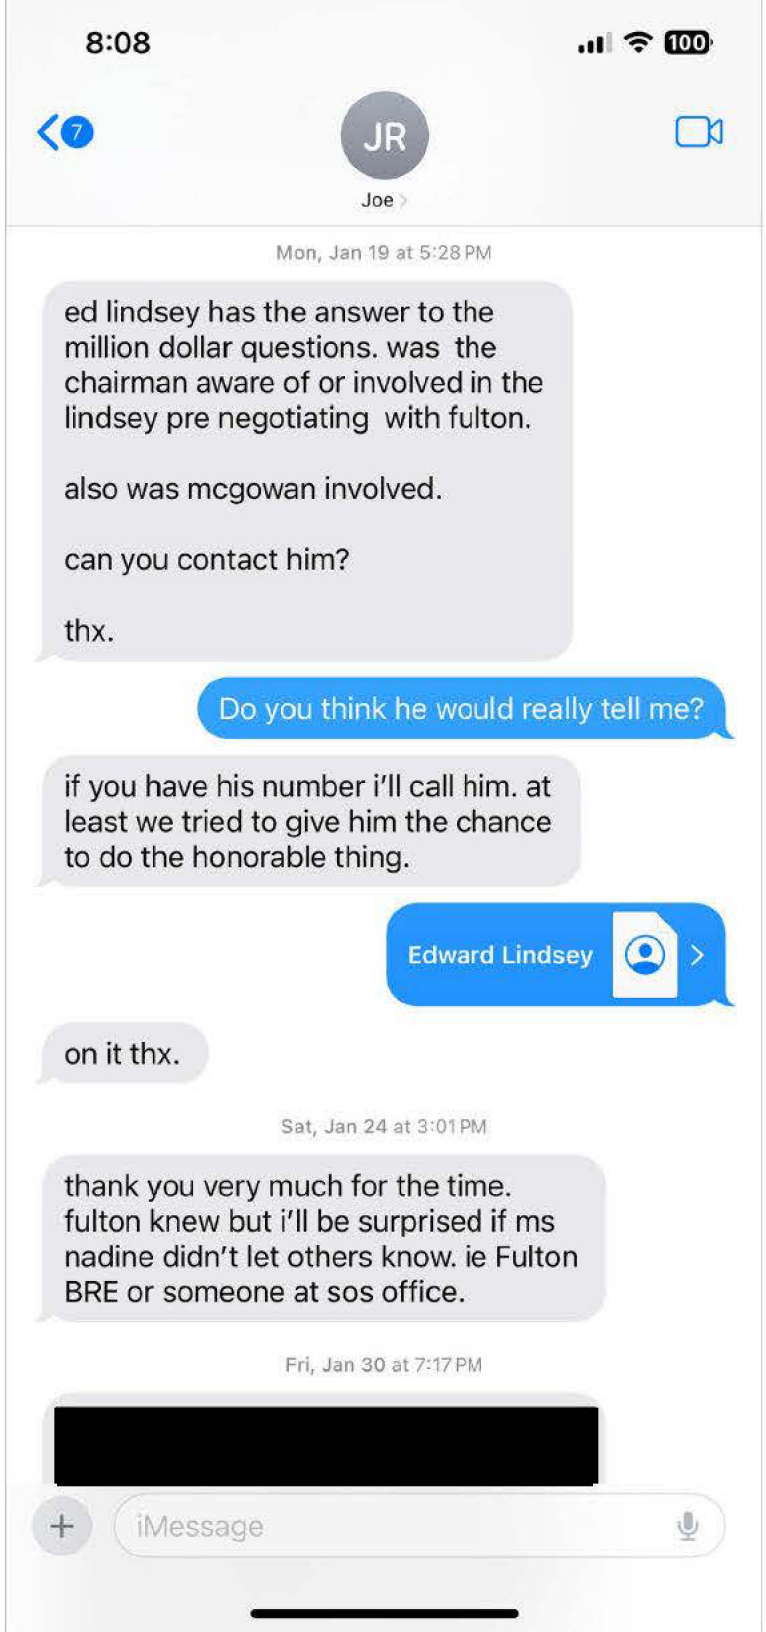

Sincerely,

GEORGIA STATE ELECTION BOARD
